---

- 2019      **Selected as Participant**, National Heart Lung and Blood Institute Training and Mentoring Program to Increase Diversity among Individuals Engaged in Health-Related Research: Behavioral and Sleep Medicine, New York University Langone Medical Center, New York, NY - *provides intensive didactic and mentored research training to underrepresented minority who are engaged in behavioral medicine research*
- 2016      **Distinguished Faculty Award**, Gerontology Institute, Georgia State University, Atlanta, GA - *presented to a member of the Gerontology faculty who has made significant and sustained contributions to gerontological education, research, or service and advanced the goals of the Gerontology Institute*
- 2016      **Outstanding Faculty Award**, Alpha Omega Chapter of Sigma Phi Omega, National Gerontology Honor Society - *presented to a member of the Gerontology faculty who has made significant and sustained contributions to gerontological education, research, or service and advanced the goals of the Gerontology Institute*
- 2015      **Distinguished Alumni Award**, Gerontology Institute, Georgia State University, Atlanta, GA - *presented to a graduate of the Gerontology Institute who has made outstanding contributions to the field of aging and who through sustained achievement as a professional has worked to improve the lives of older people*
- 2015      **Retirement Research Foundation Scholarship**, Johns Hopkins Center for Innovative Care in Aging, Developing Behavioral Interventions:

Advanced Summer Research Institute, Baltimore, MD – *awarded to an early stage behavioral intervention researcher with evidence of a focused research agenda that shows potential to positively impact older adults*

- 2015 **Selected as Participant**, Johns Hopkins Center for Innovative Care in Aging, Developing Behavioral Interventions: Advanced Summer Research Institute, Baltimore, MD - *participants with a clear intervention research agenda develop testable interventions that have the potential for implementation in practice environments and advance appropriate trial designs*
- 2015 **Selected as Participant**, Michigan Center for Urban African American Aging Research Training, Wayne State University, Detroit, MI – *selected participants show an upward research trajectory focused on the African American population and engage in professional development workshops to enhance research quality*
- 2014 **Selected as Participant**, Michigan Center for Urban African American Aging Research Training, University of Michigan, Ann Arbor, MI - *selected participants show an upward research trajectory focused on the African American population and engage in professional development workshops to enhance research quality*
- 2013 **Selected as Participant**, Johns Hopkins Center for Innovative Care in Aging, Developing Behavioral Interventions: Summer Research Institute, Baltimore, MD – *participants with a clear intervention research agenda develop testable interventions that have the potential for implementation in practice environments and advance appropriate trial designs*
- 2011 **Selected as Participant**, Robert Wood Johnson Foundation New Connections Symposium, Princeton, NJ – *participants are engaging in a research agenda that show promise for building a case for a Culture of Health with strong qualitative and quantitative research skills*
- 2010 **Selected as Participant**, Robert Wood Johnson Foundation New Connections Research and Coaching Clinic, Denver, CO - *participants are engaging in a research agenda that show promise for building a case for a Culture of Health with strong qualitative and quantitative research skills*
- 2010 **Distinguished Graduate Achievement Award**, College of Behavioral and Community Sciences, University of South Florida – *awarded to students who have earned distinguished record for academic performance.*
- 2009 **Research Excellence Award**, University of South Florida Office of Research & Innovation and Graduate School – *award to recognize and*

*celebrate excellence in scholarly research undergraduate and graduate students.*

- 2009            **Ford Foundation Diversity Dissertation Fellowship Honorable Mention** National Research Council of The National Academies – *Fellowship program designed to increase the diversity of the nation’s college and university faculties.*
- 2009            **Provost’s Award for Outstanding Teaching** by a Graduate Teaching Assistant, University of South Florida - *recognizes the exemplary contributions made by graduate teaching assistants to excellence in undergraduate education, and administered by the Academy for Teaching and Learning Excellence.*
- 2008            **Behavioral and Social Science Student Travel Award**, Gerontological Society of America
- 2008            **Provost’s Commendation for Outstanding Teaching** by a Graduate Assistant, University of South Florida - *recognizes the exemplary contributions made by graduate teaching assistants to excellence in undergraduate education, and is administered by the Academy for Teaching and Learning Excellence.*
- 2007            **Selected as Participant**, Michigan Center for Urban African American Aging Research Training, Wayne State University, Detroit, MI
- 2006            **Ford Foundation Diversity Fellowship Honorable Mention**, National Research Council of The National Academies
- 2006            **Best Presentation Award**, Southeastern Regional Student Conference in Gerontology and Geriatrics
- 2005            **Arthritis Foundation Student Fellowship Award**, Tampa, Florida – *Fellowship awarded to students engaging in original research focused on rheumatic conditions.*
- 2005 - 2010    **McKnight Doctoral Fellowship**, Florida Education Foundation - *Fellowship program designed to address the under-representation of African American and Hispanic faculty at colleges and universities in the state of Florida by increasing the pool of citizens qualified with PhD degrees to teach at the college and university levels.*
- 2005 - 2007    **Richard F. Pride Research Fellowship**, University of South Florida – *Fellowship designed to address the underrepresentation of minorities in college and university faculties by providing the opportunity for*

*individuals with demonstrated ability to pursue a PhD at the University of South Florida.*

- 2005 - 2006      **Graduate Education Opportunity Grant**, University of South Florida
- 2005 - 2006      **Aging Studies Student Fellowship**, University of South Florida
- 2005              **Harold L. Sheppard Endowed Memorial Scholarship**  
University of South Florida - *presented to the student in the MA program in Gerontology who has demonstrated the highest level of academic performance and promise as a gerontologist.*
- 2005              **Aging Exchange Day Best Research Award**  
University of South Florida - *award to recognize excellence in aging research among undergraduate and graduate students.*
- 2004              **Outstanding Undergraduate Student Award**  
Georgia State University - *presented to an undergraduate gerontology student who has distinguished himself or herself by outstanding scholarship and significant community or university service and demonstrates potential for leadership in the field of aging.*
- 2003              **Catherine B. Healy Scholarship**  
Georgia State University
- 2003              **Member of Psi Chi**, National Honor Society in Psychology
