

LINDSEY LEWIS COHEN, Ph.D.

Curriculum Vitae

CONTACT INFORMATION

Address: Department of Psychology
Georgia State University
Atlanta, GA 30302-5010

Phone/Fax: Office: 404.413.6263; Fax: 404.413.6207

E-mail Address: llcohen@gsu.edu

Web Address: <http://psychology.gsu.edu/profile/lindsey-cohen>

Lab Web Address: <http://sites.gsu.edu/champ-lab>

EDUCATION AND TRAINING

Ph.D., Clinical Psychology, University of Georgia, APA-accredited, Athens, Georgia (8/98)
Specialization: Child Clinical and Pediatric Psychology
Dissertation: A Comparative Study of Distraction and EMLA for Pediatric Pain Management during Immunizations

Predoctoral Internship, Brown University Clinical Psychology Training Consortium, APA-accredited, Providence, Rhode Island (96 – 97)
Track: Clinical Child/Pediatric Psychology
Rotations: Clinical Child; Pediatric Psychology; Child Neuropsychology

M.S., Clinical Psychology, The University of Georgia, APA-accredited, Athens, Georgia (12/95)
Specialization: Child Clinical and Pediatric Psychology
Thesis: Nurse Coaching and Cartoon Distraction during Children’s Immunizations: An Effective and Practical Intervention.

B.A., Psychology, Cum Laude, Middlebury College, Middlebury, Vermont (12/90)
Minors: Spanish; Studio Art
Honors Project: Behavior Management for Children in a Special Education Setting

ACADEMIC APPOINTMENTS

Full Professor with tenure, Clinical Program, Department of Psychology, Georgia State University (7/12 – present)

Associate Professor with tenure, Clinical Program, Department of Psychology, Georgia State University (4/07 – present)

David Parkin Visiting Professor, Centre for Pain Research, University of Bath, England, United Kingdom (8/08 – 9/09)

Assistant Professor (tenure track), Clinical Program, Department of Psychology, Georgia State University (8/04 – 4/07)

Adjunct Professor, Clinical Program, Department of Psychology, University of Georgia (12/05 – present)

Assistant Professor (tenure track), Child Clinical Program, Department of Psychology, West Virginia University (8/00 – 7/04)

Assistant Professor (tenure track), Clinical Program, Department of Psychology, Washington State University (8/98 – 8/00)

HOSPITAL APPOINTMENTS

Professional Staff with Hospital Privileges, Children’s Healthcare of Atlanta (10/13 – present)

Clinical Assistant Professor, Department of Pediatrics, WVU School of Medicine (02 – 04)

Psychology Extern, Psychiatry, Grady Memorial Hospital, Emory University (95 – 96, 97 – 98)

Psychology Intern, Clinical Child/Pediatric Psychology Track, Rhode Island Hospital, Brown University Clinical Psychology Training Consortium (96 – 97)

Psychology Extern, Endocrinology, Psychiatry, Pediatrics, Medical College of Georgia (94 – 95)

Mental Health Assistant, Medical/Psychiatric Unit, Egleston Children's Hospital, Emory University (91 – 93)

PROFESSIONAL CONSULTING ACTIVITIES

Tusker Medical, Inc. Consult on pediatric distress management for medical device (2016 – present)

Becton, Dickinson and Company (BD). Consult on behavioral management of pain (2016 – present)

Acclarent, Inc. Consult on anxiety and pain management for medical device (2007 – 2016)

Injection Protection Project, Connecticut Children's Hospital. Consulted on development of hospital policies and procedures for pediatric immunization pain management (2004 – 2006)

Evaluated colleagues for promotion and/or tenure at 25 universities or medical institutions (2008 – 2020)

External reviewer of Children's Healthcare of Atlanta, Aflac Cancer and Blood Disorders Center, Psychology program (11/12)

PROFESSIONAL AFFILIATIONS

American Psychological Association (APA)

APA, Division 38, Health Psychology

APA, Division 53, Society of Clinical Child and Adolescent Psychology

APA, Division 54, Society of Pediatric Psychology

Association for Advancement of Behavior Therapy (AABT)/Association for Behavior and Cognitive Therapies (ABCT)

International Association for the Study of Pain (IASP)

American Pain Society (APS)

HONORS AND AWARDS

Distinguished University Professor, Georgia State University (19-24)

Outstanding Graduate Director Award, College of Arts and Sciences, Georgia State University (19)

College of Arts and Sciences Outstanding Senior Faculty Award, Georgia State University (15-16)

Article "Single-case research in pediatric psychology: Considerations regarding data analysis," received the honorable mention for the Diane Willis Award for Outstanding Article in the *Journal of Pediatric Psychology* for 2014 (15)

Outstanding Diversity Teaching Award, Department of Psychology, Georgia State University (5/13)

Recognition for Outstanding Service as Listserv Manager 2006-2012, APA, Division 54 (Society of Pediatric Psychology) (10/12)

Fellow, APA, Division 54 (Society of Pediatric Psychology) (8/10 – present)

Awarded the Georgia State University Outstanding Faculty Achievement Award for Excellence in Research, Teaching, and Service (08 – 09)

APA, Division 54 (Society of Pediatric Psychology) International Travel Award recipient (08)

Awarded the David Parkin Visiting Professorship, University of Bath, England, United Kingdom (8/08 – 8/09)

Invited outside expert regarding pain management and participant retention for the National Institutes of Health project, The Environmental Determinants of Diabetes in the Young (TEDDY) (9/07)

Collaborated/mentored a medical colleague on a project, which was awarded “Young Investigator Award” from the Society of Pediatric Anesthesia/American Academy of Pediatric Anesthesiology (3/07)

APA, Division 54 (Society of Pediatric Psychology) Donald Routh Early Career Award Nominee (03)

Association for Advancement of Behavior Therapy (AABT) President’s New Researcher Award (00)

Manuscript entitled ‘Comparative study of distraction versus topical anesthesia for pediatric pain management during immunizations’ selected by the Continuing Education Committee of APA Division 38 (Health Psychology) for outstanding scientific merit and clinical application (99)

University Wide Scholarship and Merit Supplement Award, University of Georgia (97 – 98)

Boardman Award, University of Georgia, Faculty Nominee (98)

Zimmer Research Award, University of Georgia Faculty Nominee (96, 98)

A. S. Edwards Award, University of Georgia Faculty Nominee to represent the clinical program (98)

Florene M. Young Clinical Award, University of Georgia Faculty Nominee (95, 96, 98)

APA, Division 54 (Society of Pediatric Psychology) Routh Student Research Grant Award Recipient (95)

Association for the Advancement of Behavior Therapy Research Award Finalist (95)

Departmental Honors awarded for independent project working with children with behavioral, emotional, and intellectual problems, Middlebury College (90)

Dean’s List, 8 semesters, Middlebury College (86 – 90)

STUDENT ADVISEE HONORS AND AWARDS

Graduate Advisee (Shneider) awarded APA Student Poster Award (20)

Graduate Advisee (Shih) awarded GSU Dissertation Grant (20)

Graduate Advisee (Mougianis) awarded the APA, Division 54 (Society of Pediatric Psychology) Diversity Poster Award (18)

Graduate advisee (Martin) awarded the APA, Division 54 (Society of Pediatric Psychology) Pain Poster Award (17)

Graduate advisee (Cousins) awarded an APA, Division 54 (Society of Pediatric Psychology) Student Travel Award (17)

Graduate advisee (Cousins) awarded the GSU Psychology Outstanding Graduate Student Award (16)

Graduate advisee (Martin) awarded the APA, Division 54 (Society of Pediatric Psychology) Diversity Poster Award (16)

Graduate advisee (Cousins) awarded the APA, Division 38 (Health Psychology) Graduate Student Research Award (15)

Graduate advisee (Mougianis) awarded a grant from the Greek Orthodox Ladies Philoptochos Society (14)

Graduate advisee (Bishop) awarded the APA, Division 54 (Society of Pediatric Psychology) Diversity Poster Award (14)

Graduate advisee (Cousins) awarded the APA, Division 54 (Society of Pediatric Psychology) Student Poster Award (14)

Graduate advisee (Cousins) awarded the APA, Division 54 (Society of Pediatric Psychology) Pain SIG Poster Award (14)

Graduate advisee (Martin) awarded the GSU Psychology Outstanding Graduate Student Research Award (14)

Student advisee (Rodrigues) awarded the Bailey M. Wade Fellowship to the outstanding first-year graduate student (14)

Student advisee (Martin) thesis publication, “Sequential analysis of mothers’ and fathers’ reassurance and children’s postoperative distress,” awarded the Diane Willis Award for Outstanding Article in the *Journal of Pediatric Psychology* for 2013 (14)

- Student advisee (Cousins) thesis awarded APA, Division 54 (Society of Pediatric Psychology) inaugural Mary Jo Kupst Grant for Research in Resilience (13)
- Graduate advisee (Rosales) awarded the APA, Minority Fellowship Program Dissertation Award (\$4,120) (13)
- Graduate advisee (Feinstein) awarded the APA, Division 54 (Society of Pediatric Psychology) Complementary and Integrative Medicine SIG Poster Award (13)
- Graduate advisee (Martin) awarded the APA, Division 54 (Society of Pediatric Psychology) Student Travel Award (13)
- Graduate advisee (Mougianis) awarded the APA, Division 54 (Society of Pediatric Psychology) Diversity Poster Award (13)
- Graduate advisee (Feinstein) awarded the GSU Psychology Outstanding Graduate Student Research Award (13)
- Graduate advisee (Rosales) awarded the GSU Clinical Program John Warkentin Memorial Award for excellence in therapy (13)
- Graduate advisee (Rosales) Dissertation awarded a GSU Dissertation Research Award (12)
- Graduate advisee (Martin) received an honorable mention from the APA, Division 54 (Society of Pediatric Psychology) Student Research Award (12)
- Graduate advisee (Bearden) received the Edith Kaplan Award for Best Trainee Poster Presentation at the American Academy of Clinical Neuropsychology conference (12)
- Graduate advisee (Rosales) received the APA Minority Fellowship Program, Mental Health and Substance Abuse (MHSAS) Predoctoral Fellowship (approximately \$66,000) (12-14)
- Graduate advisee (Bearden) received American Academy of Clinical Neuropsychology Sponsored Travel Scholarship (\$500) (12)
- Graduate advisee (Rosales) received an honorable mention from the APA, Division 54 (Society of Pediatric Psychology) Diversity Grant (11)
- Graduate advisee (Rosales) awarded a Mark Alleyne Student Travel Grant and an Institutional Support Grant from the Center for Latin American and Latino Studies (\$500) (11)
- Graduate advisee (Feinstein) awarded the American College of Rheumatology, Research and Education Foundation, Abbott Health Professional Graduate Student Research Preceptorship (\$5,500 grant) (11)
- Graduate advisee (Welkom) awarded the Morrell Outstanding Graduate Student Awards, Georgia State (11)
- Graduate advisee (Martin) awarded the APA, Division 54 (Society of Pediatric Psychology) Diversity Poster Award (11)
- Graduate advisee (Rosales) awarded the APA, Division 54 (Society of Pediatric Psychology) Diversity Poster Award (11)
- Graduate advisee (Cobb) awarded the John Warkentin Memorial Award for clinical skills, Georgia State (10)
- Undergraduate advisee (Burton) awarded the APA, Division 54 (Society of Pediatric Psychology) Student Spotlight Award (09)
- Undergraduate advisee (Burton) poster awarded the Best Poster Award from the Georgia Psychological Association annual conference (09)
- Graduate advisee (Lim) awarded the APA, Division 54 (Society of Pediatric Psychology) Diversity Poster Award (09)
- Graduate advisee (Welkom) was a finalist for the APA, Division 54 (Society of Pediatric Psychology) Diversity Poster Award (09)
- Graduate advisee (Cobb) awarded the Walt Daves Teaching Award, Georgia State (09)
- Graduate advisee (Woods) awarded the Morell Outstanding Graduate Student Award, Georgia State (09)

- Graduate advisee (Welkom) awarded a National Institutes of Health Predoctoral Research Service Award (NRSA) F31 (09-11)
- Graduate advisee (Woods) awarded a National Institutes of Health Predoctoral Research Service Award (NRSA) F31 (08 – 10)
- Graduate advisee (Lim) Dissertation received an honorable mention for the APA, Division 54 (Society of Pediatric Psychology) Diversity Award (08)
- Graduate advisee (Welkom) awarded an APA Travel Award (08)
- Graduate advisee (Lim) awarded a National Institutes of Health Predoctoral Research Service Award (NRSA) F31 (07 – 09)
- Graduate advisee (Lim) awarded the Morell Outstanding Graduate Student Award, Georgia State (07)
- Undergraduate advisee (Bearden) awarded Outstanding Honors Student in Psychology (07)
- Graduate advisee (MacLaren) awarded the John T. Goodman Award for Research in Pediatric Pain (06)
- Graduate advisee (Lim) awarded an APA Travel Award (06)
- Graduate advisee (MacLaren) Dissertation awarded the APA, Division 54 (Society of Pediatric Psychology) Student Research Award (06)
- Graduate advisee (Lim) Dissertation awarded a GSU Dissertation Research Award (06)
- Graduate advisee (Lim) Master's thesis received an honorable mention for the APA, Division 54 (Society of Pediatric Psychology) Routh Student Research Grant Award (06)
- Undergraduate advisee (Bearden) honor's thesis poster received the Best Poster Award from the Georgia Psychological Association annual conference (06)
- Undergraduate advisee (Bearden) honor's thesis poster received the Best Student Poster Award from the Psychology Undergraduate Research Conference (06)
- Graduate advisee (MacLaren) Dissertation was awarded an American Psychological Association Dissertation Research Award (05)
- Graduate advisee (MacLaren) Masters thesis was awarded the Association for Advancement of Behavior Therapy (AABT) First Annual Behavioral Medicine SIG Student Research Award (03)
- Graduate advisee (MacLaren) Masters thesis was awarded the APA, Division 54 (Society of Pediatric Psychology) Routh Student Research Grant Award (02)
- An undergraduate advisee (Little) honor's thesis was awarded "Pass with Distinction" for "Superior Quality" at Washington State University (00)

EDITORIAL ACTIVITIES

- Guest Editor, *Journal of Pediatric Psychology*, *Invited Series on Evidence-based Assessment* (4/18 – 2/20)
- Grant panel reviewer, National Institute on Drug Abuse, *National Institutes of Health* (3/18)
- Grant reviewer, Nova Scotia Health Research Foundation, *Canadian Institutes of Health Research* (3/17)
- Grant panel reviewer, SBE Postdoctoral Research Fellowships, *National Science Foundation* (12/16)
- Grant panel reviewer, National Cancer Institute, *National Institutes of Health* (11/16)
- Grant panel reviewer, National Institute of Child Health and Human Development, *National Institutes of Health* (2/16)
- Editor, Special Interest Group on Pain in Childhood, International Association for the Study of Pain Newsletter (1/15 – 12/17)

Editorial Board, *Clinical Journal of Pain* (10/12 – present)

Editorial Board, *Journal of Clinical Psychology in Medical Settings* (8/06 – present)

Editorial Board, *Journal of Pediatric Psychology* (7/02 – present)

Editorial Board, *Children's Health Care* (11/01 – present)

Member of Board of Editors, *Handbook of Pediatric Psychology, 4th Edition* (4/08)

Member of Advisory Board, *Handbook of Pediatric Psychology, 4th Edition* (7/07 – 4/08)

Guest Editor, *Children's Health Care, Special Issue on Pediatric Pain* (7/05 – 1/07)

Guest Editor, *Journal of Pediatric Psychology, Invited Series on Evidence-based Assessment* (4/04 – 6/08)

Grant reviewer, *Healthcare Innovation Program: Atlanta Clinical & Translational Science Institute (HIP: ACTSI)* (13 – 14)

Guest Reviewer for the following journals, publishers, granting agencies, and organizations:

American Psychologist; APA Division 54 (Society of Pediatric Psychology); APA Convention; Behavior Therapy; BioMed Central Pediatrics, British Journal of Health Psychology; Canadian Medical Association Journal; Child Psychiatry and Human Development; Chronic Illness; Clinical Journal of Pain; Clinical Practice in Pediatric Psychology; Clinical Psychology: Science and Practice; Vlaanderen (Dutch Grant Agency); European Journal of Pain; Health Psychology; Journal of Abnormal Child Psychology; Journal of Applied Behavior Analysis; Journal of Consulting and Clinical Psychology; Journal of Pain; Journal of Pain and Symptom Management; Journal of Pediatrics; Journal of Psychosomatic Research; Mental Retardation; Pain; Paediatrics and Child Health; Pain Medicine; Pain Research and Management; Pediatrics; Pediatric Pain Letter; Pediatric Pulmonology; Professional Psychology: Research and Practice; Psychological Assessment; Psychological Reports: Psychology Bulletin; Perceptual and Motor Skills; Psychology and Health; Public Health; The Journal of Pain; World Journal of Pediatrics; Anonymous Private Foundation; Knight Foundation; University of Georgia Henry E. Adams Memorial Research Award Proposals; Mayday Fund; Nova Scotia Health Research Foundation; Toronto SickKids Foundation; McGraw Hill Publisher; Wadsworth Thomson Learning; Action Medical Research

ACTIVE GRANTS

SHAPE JOY: A Program to Nurture Empathic Happiness in Children through Contemplative Parenting Practices (1/1/20-12/31/22)

Mind and Life Institute

\$99,801.00

Co-I [Tully, PI]

Training in Integrated Pediatric Psychology Services (TIPPS) (9/1/19-8/30/22)

Department of Health and Human Services (DHHS), Health Resources and Service Administration (HRSA), 1

D40HP33346

\$1,349,941.00

Principal Investigator

Evidence-based approaches to chronic pain management in youth with sickle cell disease (8/1/17-7/31/22)

National Heart, Lung, and Blood Institute (NHLBI), National Institutes of Health (NIH), 1K23HL133457-01A1

\$775,821.00

Sponsor/Mentor [Sil, PI/Mentee]

Addressing Opioid Use Disorder with an External Multimodal Neuromodulation Device: Development and Clinical Evaluation of DuoTherm for Opioid-Sparing in Acute and Chronic Low Back Pain (9/30/19-3/31/22)

National Institute on Drug Abuse (NIDA), National Institutes of Health (NIH), 4R44DA049631-02

\$1,700,181.36

Consultant [Baxter, PI]

FOCUS: Feasibility, Acceptability, and Pilot of an Intervention to Improve Functioning in Adolescents with SCD (7/1/18-7/31/21)

Pediatric Research Alliance, Clinical Outcomes Research and Public Health

\$50,000.00

Co-Principal Investigators [Cohen, McKee]

COMPLETED GRANTS

Enhancing training of graduate students to work with disadvantaged populations: A pediatric psychology specialization (7/1/2016-6/30/2020)

Department of Health and Human Services (DHHS), Health Resources and Service Administration (HRSA), 2

D40HP19643

\$1,048,989.00

Principal Investigator

FOCUS: Feasibility, Acceptability, and Pilot of an Intervention to Improve Functioning in Adolescents with Cancer (7/1/18-6/30/19)

\$20,000

Mentor [McKee, PI/Mentee]

Parental psychosocial distress of youth with chronic sickle cell pain (6/1/16-5/31/17)

Atlanta Clinical & Translational Science Institute

\$30,000.00

Co-Investigator [Sil, PhD, PI]

Relieving anxiety in children undergoing radiation therapy through virtual preparation (8/2014-7/2018)

Agency for Healthcare Research and Quality (AHRQ) 1 R21 HS021799

\$299,878.00

Principal Investigator

MartialHearts: An interactive taekwondo game targeting executive functioning and anxiety in children with congenital cardiac disease (5/11/2015-1/31/2018)

Atlanta Clinical & Translational Science Institute

\$50,000.00

Principal Investigator

Enhancing training of graduate students to work with disadvantaged populations: A pediatric psychology specialization (7/2014-6/2016)

Department of Health and Human Services (DHHS), Health Resources and Service Administration (HRSA) 2

D40HP19643

\$558,893.00

Principal Investigator

Enhancing training of graduate students to work with disadvantaged populations: A pediatric psychology specialization (8/2010-6/2014)

Department of Health and Human Services (DHHS), Health Resources and Service Administration (HRSA) 1

D40HP19643

\$359,409.00

Principal Investigator

Improving psychological preparation of children and their parents prior to radiation therapy: A child life study (11/2012-3/2014)

Children's Healthcare of Atlanta Dudley L. Moore Nursing & Allied Health Research Fund
\$8,673.64

Co-Investigator [Griffin, PhD, PI]

Study of psychosocial therapy enhanced by texting for adolescents with sickle cell disease (iACT trial) (7/2012-12/2013)

Children's Healthcare of Atlanta Friends Research Fund Grant
\$28,830.00

Co-Investigator [Brown, MD, PI]

A virtual reality biofeedback computer game for pediatric pain relief (9/2009-8/2013)

National Institutes of Health, 1 R21 RR024412-01 A1
\$522,955.00

Principal Investigator

An evaluation of the effectiveness of mindfulness for pediatric sickle cell pain and functioning (6/2009-6/2011)

International Association for the Study of Pain (IASP) Research Grant funded by ScanDesign by the Inger & Jens Bruun Foundation
\$21,200.00

Principal Investigator

ACT for adolescents with sickle cell disease (7/2009-6/2010)

Georgia State University Faculty Mentored Grant
\$10,000.00

Mentor [Masuda, PhD, PI]

Relieving pediatric immunization pain using a reusable personal device (7/2007-8/2011)

National Institutes of Health, 1 R44 H D056647-02
\$960,945.00

Consortium Principal Investigator/Project Co-Investigator [Baxter, MD, PI]

Psychosocial functioning in caregivers of children with sickle cell disease (2009-2011)

National Institutes of Health, 1 F31 ML094120-01
\$81,944.00

Sponsor/Mentor [Welkom (doctoral student mentee) PI]

Acceptance and values-based behavior in adolescents with sickle cell disease (11/2008-10/2009)

Georgia State University Psychology Research Leverage Funds
\$3,600.00

Principal Investigator

Programming for virtual reality environment (VRE) research (11/2008-10/2009)

Georgia State University Psychology Research Leverage Funds
\$2,200.00

Co-Investigator

An innovative assessment of adult influence on children's postoperative pain (2008-2010)

National Institutes of Health, R21 H D057011-01
\$371,000.00

Co-Investigator [MacLaren, PhD, PI]

Adherence in adolescents with HIV: The impact of body dissatisfaction (2008-2009)

National Institutes of Health, 1 F31 MH083584-01
\$40,000.00

Sponsor/Mentor [Woods (doctoral student mentee) PI]

Child and adult behavioral interactions and perioperative outcomes (2007-2010)

Foundation for Anesthesia Education and Research

\$255,000.00

Sponsor/Mentor [Sadhasivam, MD, PI]

Psychosocial functioning in pediatric sickle cell disease (2007-2010)

National Institutes of Health, 1 F31 HL091728-01

\$35,472.00

Sponsor/Mentor [Lim (doctoral student mentee) PI]

Randomized controlled trials of cold and vibration for pediatric pain relief (2007-2010)

The Mayday Fund

\$129,325.00

Co-Investigator [Baxter, MD, PI]

The development of behavioural pain responses in infancy: Exploring the influence of maternal soothing behaviour (2007-2011)

Canadian Institutes of Health Research (CIHR)

\$500,000.00

Co-Investigator [Pillai Riddell, PhD, PI]

Automated training in pediatric pain management (2005-2009)

National Institutes of Health, 1 R21 HD047263-01 A1

\$344,108.00

Principal Investigator

Lidocaine lubricant as an anesthetic agent in emergency room catheterization (2005-2007)

Children's Healthcare of Atlanta Friends Research Fund Grant

\$25,000.00.

Consultant [Greenwald, MD, PI]

The effectiveness of oral midazolam or midazolam/narcotic analgesic for procedural sedation in children undergoing laceration repair (2006)

Children's Healthcare of Atlanta Research Oversight Committee

\$20,000.00

Consultant [Sharma, MD, PI]

Children's mastery of a stressor: The use of virtual reality for preschoolers' immunization injections (2005-2006)

Georgia State University Research Team Grant

\$15,000.00

Principal Investigator

Children with sickle cell disease and stroke (2003-2005)

CATCH Planning Grant of the American Academy of Pediatrics

\$8,250.00

Consultant [Gee, PI]

Program encouraging prevention of type II diabetes and cardiovascular risk (2004-2005)

American Academy of Pediatrics.

\$20,000.00

Co-investigator [Perkins, PI]

Rural infant pain management (2002-2004)

The Mayday Fund

\$115,000.00

Principal Investigator

Matching treatment to intervention for preschoolers' immunizations (2002-2003)

Sigma Theta Tau International Honor Society of Nursing

\$1,000.00

Principal Investigator

Pain management for Appalachian infants (2001)

West Virginia University Research Corporation

\$19,000.00

Principal Investigator

Faculty Development Grant (2001)

Dorothy J. Dotson Endowment

\$750.00

Principal Investigator

Stress management for dental students performing pediatric restorative procedures (2001)

West Virginia University Health Associates

\$2,265.05

Principal Investigator

Course Development for Research Methods in Psychology (2001)

West Virginia University

\$2,500.00

Principal Investigator

A critical time to intervene: A longitudinal study of infants' fear, anxiety, and pain during immunizations (1999-2000)

Edward R. Meyer Fund

\$3,000.00

Principal Investigator

Nurse coaching and movies to reduce parent and infant distress during immunizations (1999)

Washington State University Completion Grant

\$400.00

Principal Investigator

Course development for principles of development (1999)

Washington State University American Diversity Curriculum Development Grant

\$1,500.00

Principal Investigator

Respite care internship and training project (1999)

Washington State Office of Child Care Policy

\$6,850.00

Co-Investigator

A critical time to intervene: An examination of the long-term impact of EMLA and distraction during infants' immunization injections (1998)

Washington State University Initiation Grant

\$400.00

Principal Investigator

Family functioning at mealtime: A comparison of children with cystic fibrosis and matched controls (1997)

Brown University School of Medicine, Department of Psychiatry Research Grant

\$300.00

Principal Investigator

The influence of nurse coaching during children's painful medical procedures: Implications for practicality and cost-effectiveness (1995)

Society of Pediatric Psychology Routh Student Research Grant Award

\$500.00

Principal Investigator

Predictors of treatment adherence in children with inflammatory bowel disease: The role of body satisfaction and prospective memory in medication and diet behavior. Platform presentation presented at the Annual Meeting of the Society for Behavioral Medicine, Washington, D.C.
34. Cohen, L. L. (2006, September). Pediatric pain management. Invited grand rounds talk, Pediatric Anesthesia, Cincinnati Children's Hospital Medical Center, Cincinnati, OH.
33. Cohen, L. L. (2006, August). Distraction for infant pain management. Invited talk, Dalhousie University, Halifax, Nova Scotia, Canada.
32. Cohen, L. L., Berry, S., & Devine, K. (2006, August). Steps in graduate school to prepare for your future. Invited talk, APA Convention, Washington D.C.
31. Cohen, L. L. (2006, June). Why can't we agree? The divergence of self-report, parent-report, and staff-report of pediatric pain. In I. Clemente, L. L. Cohen, & C. M. McMurtry (Chairs), *Assessment of Pediatric Pain: Methodological Considerations*. Workshop presented at the 7th International Symposium on Pediatric Pain, Vancouver, Canada.
30. Cohen, L. L. (2006, June). Measurement challenges: Measuring the caregiver and infant in pain. In R. Pillai-Riddell, L. L. Cohen, & B. Stevens, B. *Infants in pain and their caregivers: Advancing and Integrating Research and Practice*. Workshop presented at the 7th International Symposium on Pediatric Pain, Vancouver, Canada.
29. Cohen, L. L. (2006, June). Behavioral effects of untreated pediatric pain. Invited talk presented at the Pain in Child Health (PICH) training institute, British Columbia, Canada.
28. Cohen, L. L., *MacLaren, J. E., *Fortson, B., *Friedman, A., *DeMore, M., *Lim, C. S., Shelton, E., & Gangaram, B. (2006, May). Distraction for infant immunization pain. In K. Slifer (Chair). *Behavior Analysis Contributions to Managing Pediatric Pain*. Symposium presented at the Association for Behavior Analysis, Atlanta.
27. *DeMore, M., & Cohen, L. L. (2006, May). A critical review of distraction intervention for pain management during pediatric immunizations. In K. Slifer (Chair). *Behavior Analysis Contributions to Managing Pediatric Pain*. Symposium presented at the Association for Behavior Analysis, Atlanta.
26. *MacLaren, J. E., Cohen, L. L., *Penwell, L., *Hitchens, L., *Speer, K. L., *Chorney, D. B., & *Stanley, V. (2006, April). Improving pain management in children: Training nursing students in evidence-based behavioral techniques. Symposium presented at the *National Conference on Child Health Psychology*.
25. Cohen, L. L., & Devine, K. (2006, April). Professional possibilities in pediatric psychology: The pros and pitfalls of potential career paths. Invited moderator for panel discussion at the *National Conference on Child Health Psychology*, Gainesville, FL.
24. *Lim, C., & Cohen, L. L. (2005, September). Children's coping styles during medical procedures. Invited talk, Pain Awareness Month at Children's HealthCare of Atlanta, Atlanta, GA.
23. Cohen, L. L. (2005, August). Innovative instructional delivery systems in the field of pediatric psychology. Invited talk, APA Convention, Washington D.C.
22. Cohen, L. L. (2004, October). Psychological approaches to anxiety and pain management. Invited oral presentation at the CURE Childhood Cancer organization Fall Parent Weekend, Atlanta, GA.
21. *MacLaren, J. E., & Cohen, L. L. (2004, February). Active versus passive distraction for venipuncture in children. Invited poster presented at the West Virginia School of Dentistry Research Day, Morgantown, WV.

20. *Fancher, A., Cohen, L. L., & *MacLaren, J. E. (2004, February). Predictors of pediatric distress during invasive dental procedures. Invited poster presented at the West Virginia School of Dentistry Research Day, Morgantown, WV.
19. Cohen, L. L., & *MacLaren, J. E. (2003, November). Movie distraction for pediatric procedural pain. In S. Safren (Chair) & D. Ahern (Discussant), *Use of Technology in Behavioral Assessments and Interventions*. Symposium presented at the AABT Convention, Boston.
18. *Friedman, A., *Hernandez, D., *Greene, L., Cohen, L. L., & Morris, T. (2003, October). Prevention clinic: Motivation to move. Talk given at the *Pediatric Oktoberfest – Partners in Adolescent Health*, Morgantown, WV.
17. *Piazza-Waggoner, C., Cohen, L. L., Kohli, K., & *Taylor, B. (2003, February). Dental students' anxiety around pediatric restorative procedures: The evaluation of a practical intervention. Invited poster presented at the West Virginia School of Dentistry Research Day, Morgantown, WV.
16. Blount, R. L., Piira, T., Cohen, L. L., & Cheng, P. S. (2003, June). Children's distress, pain, and coping during medical procedures. In P. J. McGrath (Chair), *All in the Family: New Perspectives on the Role of the Family in Pediatric Pain*. Symposium presented at the 6th International Symposium on Pediatric Pain, Sydney, Australia.
15. Cohen, L. L., *Bernard, R. L., & *McClellan, C. B. (2002, February). Pediatric procedural approach-avoidance coping and distress: A multitrait-multimethod assessment. Invited poster presented at the West Virginia School of Dentistry Research Day, Morgantown, WV.
14. Cohen, L. L., Blount, R. L., Cohen, R. J., Ball, C. M., *McClellan, C. B., & *Bernard, R. S. (2001, August). Painful medical procedures as trauma: How deep do the wounds go? In J. Faust (Chair) & L. J. Siegel (Discussant), *Trauma and Children in Health Care Settings*. Symposium presented at the APA convention, San Francisco.
13. Cohen, L. (2001, April). Bridging the gap: Navigating the transition from graduate training to early careerhood. A. Perwien & B. G. Briery (Co-Chairs). Symposium presented at the Florida Conference on Child Health Psychology, Gainesville, Florida.
12. Cohen, L., *Bernard, R., & *McClellan, C. (2001, February). Multidimensional assessment of children's approach-avoidance behavior during immunizations. Invited poster presented at the West Virginia School of Dentistry Research Day, Morgantown, WV.
11. Cohen, L., Blount, R., & Cohen, R. (2001, February). Children's reactions to injections. Invited poster presented at the West Virginia School of Dentistry Research Day, Morgantown, WV.
10. Cohen, L. L., Blount, R. L., Cohen, R. J., *McClellan, C. B., *Bernard, R. S., & Ball, C. M. (2000, August). Children's expectations and memories of acute medical distress. In D. Drotar (Chair) & D. Faust (Discussant), *Prevention and Early Intervention in Primary Care Contexts*. Symposium presented at the APA conference, Washington, D.C.
9. Spieth, L., Stark, L., Schiller, M., Cohen, L., Mitchell, M., Mulvihill, M., & Hovell, M. Family Functioning During Meals: A comparison of preschool children with cystic fibrosis and matched controls. (2000, August). In S. Power (Chair), *Behavioral Pediatrics*. Symposium presented at the APA conference, Washington, D.C.
8. Cohen, L. L. (1998, April). Pediatric pain and distress management during immunizations: Pharmacology versus psychology. Paper presented at the Twenty-first Annual Psi Chi Convention, Athens.
7. Cohen, L. L., Blount, R. L., Panopoulos, G., Manimala, M. R., Pate, J. T. & Smith, A. J. (1996, April). A holistic and practical intervention for children's acute procedural distress. Paper presented at the Eighteenth Annual Psi Chi Convention, Athens.
6. Blount, R. L., Cohen, L. L., Panopoulos, G., Pate, J. T., & Smith, A. J. (1996, March). A cost-effective intervention to reduce children's acute distress. In L. S. Walker and R. L. Blount (Co-Chairs), D. K. Routh (Discussant), *Programmatic research in acute and recurrent pediatric pain*. Symposium presented at the Congress of Behavioral Medicine. Washington, D.C.

5. Blount, R. L., & Cohen, L. L. (1995, July). Assessment and intervention for acute pediatric pain and distress. Paper presented at the Nemours Children's Clinic, Jacksonville.
4. Cohen, L. L., Blount, R. L., Panopoulos, G., Manimala, M. R., Pate, J. T. & Smith, A. J. (1995, May). Coaching and distraction during pediatric procedures. Paper presented at the Institute for Behavioral Research, Athens.
3. Cohen, L. L., Blount, R. L., Panopoulos, G., Manimala, M. R., Pate, J. T. & Smith, A. J. (1995, April). Nurse coaching and video distraction during children's painful medical procedures: Practical implications. Henggeler, S. (Chair), *Intervention outcome in pediatric psychology*. Paper presented at the Florida Conference on Child Health Psychology, Gainesville.
2. Cohen, L. L. (1995, February). Pediatric pain and coping. Paper presented to the Psychology Club, Athens.
1. Blount, R. L., Cohen, L. L., & Manimala, M. R. (1994, March). Broadening the paradigm for the phenomenon of acute pediatric pain. Presented at a graduate psychology colloquium, Athens.

POSTER PRESENTATIONS (* indicates student advisee co-author)

213. *Shneider, C., Sil, S., Tully, E. C., & Cohen, L. L. (2021, April). Exploratory factor analysis of the adult responses to children's symptoms (ARCS): Assessment in youth with sickle cell disease. Poster to be presented at the Virtual - Society of Pediatric Psychology Annual Conference.
212. *Robbertz, A., Cohen, L. L., & Armistead, L. P. (2021, April). The impact of COVID-19 on children with gastrointestinal conditions. Poster to be presented at the Virtual - Society of Pediatric Psychology Annual Conference.
211. Johnson, Y. L., Woodward, K. E., Dampier, C., Cohen, L., Sil, S. (2020, June). Biopsychosocial Factors Associated with Parenting Stress in Pediatric Sickle Cell Disease. Poster presented at the Southeastern Pediatric Research Conference, Atlanta, GA. (Conference canceled)
210. *Moran, S., McKee, L. G., Cohen, L. L., Sil, S., Jones, B., *Goyer, M., *Shneider, C., *Michel, J., and *Donati, M. (2020, May). Developing and testing a psychosocial intervention for adolescents with cancer and sickle cell disease. Poster presented at the Southeastern Pediatric Research Conference, Atlanta, GA. (Conference canceled)
209. Sil, S., *Shih, S., Cohen, L. L., & Dampier, C. (2020, April). Chronic pain experience in pediatric sickle cell disease: A qualitative examination. Poster presented at the Society of Behavioral Medicine, San Francisco, CA. (Conference canceled)
208. Woodward, K. E., Sil, S., Johnson, Y. L., Dampier, C., & Cohen, L. L. (2020, March). Parent psychological distress and chronic pain in pediatric sickle cell disease. Poster presented at the Society of Pediatric Psychology Annual Conference, Dallas, TX.
207. *Shneider, C. E., Woods, A. M., & Cohen, L. L. (2020, March). Adherence to antiretroviral therapy (ART) in adolescents with HIV: Do parents help? Poster presented at the Society of Pediatric Psychology Annual Conference, Dallas, TX.
206. *Abrams, D. N., Tone, E., Robins, D. L., Cohen, L. L., & Light, S. N. (2020, February). Determining relationships among empathic skills, executive functions, and autism spectrum disorder traits. Poster to be presented at the International Neuropsychological Society conference, Denver, CO.
205. *Bishop, M., & Cohen, L. L. (2019, June). A virtual reality biofeedback computer game for pediatric pain relief: a randomized controlled trial. Poster presented at the International Symposium on Pediatric Pain, Basel, Switzerland.

204. *Gise, J., Wright, L., Cohen, L. L., & Sil, S. (2019, June). Functional disability and psychological burden among adolescents with sickle cell disease: The role of pain acceptance and mindfulness. Poster presented at the International Symposium on Pediatric Pain, Basel, Switzerland.

3. Hobbs, S., Schweitzer, J., Cohen, L. L., MacVicar, D., Birdsey, P., Levy, D., & Rodriguez, R. (March 1993). Parental attributions for noncompliance with dietary treatment regimens in cystic fibrosis patients. Poster presented at Southeastern Psychological Association, Atlanta
2. Hobbs, S., Schweitzer, J., Cohen, L. L., & Rodriguez, R. (March 1993). Attributions for compliance with medical and nonmedical regimens in children with cystic fibrosis. Poster presented at Society of Behavioral Medicine, San Francisco.
1. Cerutti, D. T., Schweitzer, J. B., Cohen, L. L., & Abramowitz, A. J. (October, 1992). A videogame interface for behavioral research: Rapid measurement of choice. Poster presented at Southeastern Association for Behavioral Analysis, Asheville, North Carolina.

SERVICE

Departmental

- Chair, Department of Psychology, Georgia State University (7/20 – present)
- Associate Chair, Department of Psychology, Georgia State University (1/20 – 6/20)
- Director of Graduate Studies, Department of Psychology, Georgia State University (8/09 – 12/18)
- Advisor, Graduate Association of Student Psychologists, Georgia State University (5/11 – 10/11)
- Director of Graduate Practica, Department of Psychology, Georgia State University (6/07 – 8/08)
- Executive Committee, Psychology, Georgia State University (4/05 – 8/08)
- Psychology Academic Program Review Committee, Georgia State University (4/05 – 8/08)
- Associate Member, Behavior Analysis Program, Department of Psychology, WVU (9/00 – 8/04)
- Quin Curtis Center Steering Committee, West Virginia University (9/00 – 8/04)
- Student Representative, Department of Psychology, University of Georgia (9/97 – 8/98)

Student Representative, Brown University Clinical Psychology Training Consortium (7/96 – 6/97)
Founder and President, University of Georgia Clinical Psychology Student Association (9/95 – 6/96)
Graduate Excellence Award Committee, Washington State University (1/00)

College

Member, Dean's Equity and Inclusion subcommittee, Georgia State University (9/18 – present)
Member, Dean's Mentoring subcommittee, Georgia State University 7/19 – present)
Senior Faculty Associate for Faculty Development, Dean's Office, College of Arts and Sciences, Georgia State University (1/18 – 6/19)
Chair, Social and Behavioral Sciences Promotion and Tenure Committee, College of Arts and Sciences, Georgia State University (7/19 – 6/20)
Member, Social and Behavioral Sciences Promotion and Tenure Committee, College of Arts and Sciences, Georgia State University (10/15 – 6/19)

University

NIH Grant Proposal, Panelist, Georgia State University (10/19)
Promotion and Tenure Panelist, Georgia State University (10/19)
Psychology Representative, Faculty Senate, Georgia State University (9/14 – present)
Co-chair, University Assessment Committee, Georgia State University (9/12 – 12/17)
Member, Georgia State University Research Internal Grant Review Committee (12/09 – 10/12)

Professional

Member, International Association for the Study of Pain Presidential Task Force on SIG Governance Review (8/19 – present).
Host/Interviewer with scholars from around the world for webinar series, *Four Corners Conversation*, Division 52 (International Psychology), American Psychological Association PA (5/18 – present)
Task force member, ACTION-American Pain Society Taxonomy workgroup on needle pain (3/18 – present).
Member, Center for Pediatric Healthcare Technology Innovation, Pain in Child Health (10/10 – present)
Chair of Pediatric subgroup, Disparities Work Group, Federal Pain Research Strategy, Interagency Pain Research Coordinating Committee, National Institutes of Health (4/16 – 5/17)
APA Division 54 (Society of Pediatric Psychology) Annual Conference Planning Committee Member (3/15 – 4/16)
Executive Officer, Secretary, Special Interest Group on Pain in Childhood, International Association for the Study of Pain (1/15 – 12/20)
Chair, APA Division 54 (Society of Pediatric Psychology) Fellows Committee (4/11 – 3/13)
Member, Committee on Assessment of Academic Professional Promotion, Georgia State University (11)
Member, APA Division 54 (Society of Pediatric Psychology), Fellows Committee (9/10 – 3/11)
Member, Georgia State University Committee on Assessing Graduate Student Learning Outcomes (11/09 – 9/12)
Pain Task Force, Children's Healthcare of Atlanta (11/04 – 1/14)
Advisory Board Member, Registered Nurses for Venipuncture Optimization through Improved Comfort and Education (RN VOICE) (5/08)

Advisory Board member, Handbook of Pediatric Psychology (6/07 – 7/08)
APA Division 54 (Society of Pediatric Psychology), Co-Chair of the Diversity Committee (8/06 – 7/08)
Clinic Director, Department of Psychology, Georgia State University (6/07 – 8/08)
Associate Director of Clinical Training/Chair of the Clinical Program, Department of Psychology, Georgia State University (9/06 – 8/08)
APA Division 54 (Society of Pediatric Psychology) Committee on Mission Statement and Identity, Committee on Research and Development, and Committee on Translational Research (3/06 – 7/08)
Scientific Advisory Board member, National Children’s Pain Center (9/06 – 1/08)
APA Division 54 (Society of Pediatric Psychology) Listserv Administrator (5/06 – 7/12)
Children’s Center for Digestive Healthcare and Children’s Healthcare of Atlanta Gastrointestinal Research Consortium (4/06 – 3/07)
Burn Task Force, Children’s Healthcare of Atlanta (3/06 – 1/08)
APA Division 54 (Society of Pediatric Psychology) Nominations and Elections Committee (6/05 – 7/08)
APA Division 54 (Society of Pediatric Psychology) Publications Committee (6/05 – 7/08)
Program Committee, 2006 National Child Health Psychology Conference (8/05 – 7/06)
Member-at-Large, APA Division 54 (Society of Pediatric Psychology) (6/05 – 7/07)
Emergency Department Pain Task Force, Children’s Healthcare of Atlanta (12/04 – 12/07)
Member, AABT Behavioral Medicine Special Interest Group (12/02 – 12/06)
Co-Chair, APA Division 54 (Society of Pediatric Psychology) *Task Force on Evidence-based Assessments in Pediatric Psychology*, (4/01 – 7/08)
Chair, APA Division 54 (Society of Pediatric Psychology) *Task Force on Evidence-based Assessment of Pain* (4/01 – 7/08)
Member, APA Division 54 (Society of Pediatric Psychology) *Task Force on Assessment of Coping and Stress* (4/01 – 7/08)
Member, APA Division 54 (Society of Pediatric Psychology) *Task Force on Training the Next Generation of Pediatric Psychologist* (6/99 – 5/01)
Student Advisory Board Member, Society of Pediatric Psychology (2/94 – 8/98)

MEDIA

2016 – Interviewed/quoted for an article for an article titled ‘A flu season without fluMist? Making shots less painful for children’ by Perri Klass for *The New York Times*. The resulting article was published in the 10/3/16 newspaper.

2010 – Responded to a child’s question about anxiety treatment for a Chinese children’s magazine.

2009 – Interviewed/quoted for an article entitled ‘Pediatric Pain’ in the *APA Monitor*.

2008 – Interviewed/quoted for an article on pediatric pain management for *Today in PT*, a national physical therapy magazine.

2006-2007 – Interviewed and filmed for a video summarizing my program of research packaged as a CD-ROM and included with *Wadsworth Press* textbooks.

2006 – Interviewed/quoted about pediatric pain by Yuliya Chernova for an article in the *Wall Street Journal*.

2005 – Interviewed/quoted about applying for and obtaining professional positions in psychology for an article in the *APA Monitor*.

2005 – Interview about needle phobia and pediatric needle pain by Gary Grant for *The Albany Herald*. The resulting article was published in the 1/24/05 newspaper.

2003 – Interviewed live about infant injection pain and my research by Dr. Roger Klein on his radio show *The Psychology Minute*. The interview was aired in a 2-part series on his radio show.

CLINICAL EXPERIENCE

(Licensed Clinical Psychologist, Georgia # PSY002870, 5/04 – present; West Virginia # 803, 9/01 – present)

Cohen Psychological Services, LLC. Private practice providing assessment and therapy services to children, adolescents, and families as well as consultations to industry (12/07 – present)

Camp Psychologist. Trained and supervised graduate students and camp counselors in behavior management and conflict resolution. Also served as crises management expert and therapist on site at a week-long overnight camp for children with Crohn's and Colitis, Crohn's and Colitis Foundation of America, Atlanta, Georgia (5/05; 5/06; 5/07).

Assessment and Therapy Practicum Team Supervisor. Supervise graduate students conducting comprehensive assessments and therapy with clients presenting to the Georgia State University Psychology Clinic, Department of Psychology, Georgia State University, Atlanta, Georgia (9/04 – present).

Child Clinical Therapy Team Supervisor. Conduct individual, family, and group therapy and supervise doctoral students therapist clinical activities through the Quin Curtis Center, Department of Psychology, West Virginia University, Morgantown, West Virginia (9/00 – 8/04).

Prevention Clinic, Co-Creator and Supervisor. Helped develop a multidisciplinary pediatric clinic aimed at prevention of Type II Diabetes and cardiovascular disease via health promotion (i.e., appropriate diet and exercise). Physicians Office Center, Health Sciences Center, West Virginia University, Morgantown, West Virginia (8/02 – present).

H.E.L.P. (Helpful and Effective Lessons in Parenting) Group, Co-Creator and Leader. Developed a parenting training group and child therapy group for families referred by child protective services for abuse and/or neglect, West Virginia University, Morgantown, West Virginia (5/02 – present).

Director, Child Clinical Therapy. Conduct individual, family, and group therapy and supervise doctoral students therapist clinical activities through the Department of Psychology Clinic, Washington State University, Pullman, Washington (8/98 – 8/00).

Parent Training/Child Behavior Therapy Workshop Leader. Conducted over 40 Workshops in Parenting Skills and Child Behavior Therapy, The University of Georgia, Athens, Georgia, and Washington State University, Pullman, Washington (9/93 – 7/00).

Predoctoral Clinical Internship, Brown University Clinical Psychology Training Consortium, Providence, Rhode Island (7/96 – 6/98). Rotations: Child Clinical, Bradley Hospital and School; Pediatric Psychology, Rhode Island Hospital; Child Neuropsychology, Bradley Children's Hospital. Supervisors: Drs. Tony Spirito, Lori Stark, Leslie Speith, Elisa Jelalian, Deb Lobato, Rod Gragg, Greta Francis, Rose Huntzinger, John Beetar.

Predoctoral Clinical Externship, Grady Memorial Hospital, Atlanta, Georgia (9/95 – 6/96). Supervisor: Dr. Ron Brown

Clinic Assistant, The University of Georgia Psychology Clinic, Athens, Georgia (9/95 – 6/96). Supervisors: Dr. Lisa Armistead

Graduate Therapist, Adult and Child Graduate Assessment and Treatment Clinical Practica, The University of Georgia Psychology Clinic, Athens, Georgia (9/93 – 6/96). Supervisors: Drs. Amos Zeichner, Ron Blount, Lisa Armistead, Karen Smith

Parent Training Group Leader, Project Safe Women's Shelter, Athens, Georgia (4/95 – 2/96). Supervisor: Dr. Lisa Armistead

Clinical Externship, The Medical College of Georgia, Augusta, Georgia, (9/94 – 6/95). Supervisors: Drs. Alex Mabe, William Hoffman

Mental Health Assistant/Counselor, Medical Psychiatric Unit, Egleston Children's Hospital at Emory University, Atlanta, Georgia (8/91 – 9/93). Supervisors: Drs. Mary Lynn Dell, Bernie Kahan, Steve Hobbs, Julie Schweitzer.

Mental Health Assistant/Counselor, Brawner Psychiatric Institute, Smyrna, Georgia (3/91 – 9/91)

Counselor, Addison County Parent/Child Center, Middlebury, Vermont (9/90 – 2/91)

Peer Counselor, Students for Students, Middlebury College, Middlebury, Vermont (9/90 – 2/91)

Supervisor: Dr. Gary Margolis

Counselor, Diversified Occupational Center, Middlebury Union High School, Middlebury, Vermont (12/90 – 2/91)

Psychiatric Technician, Veterans Administration Hospital, Atlanta, Georgia (5/90 – 9/90). Supervisor: Dr. John McCall

SUPERVISION AND MENTORSHIP EXPERIENCE

Student Research Committee Chaired

Dissertations Chaired:

Jensi Gise (in progress). *Parents of cancer survivors: The trajectory of personal relationships.*

Sharon Shih (in progress), *Examining interventions for pica in pediatric sickle cell disease: A single-subject research design study.*

Meredith Bishop (2020), *Household food insecurity, depression, and disordered eating symptoms in adolescents with severe obesity.*

Matthew Donati (2020), *Examining the impact of the obesogenic environment on the treatment of pediatric overweight and obesity using latent class analysis*

Nikita Rodrigues (2019), *Mixed methods assessment of pica in pediatric sickle cell disease*

Laura Cousins (2017), *Resilience in youth with sickle cell disease pain*

Effie Mougianis (2017), *Perceived racial discrimination in adolescents hospitalized for sickle cell pain crises: An exploratory examination*

Sarah Martin (2015), *Peer support in children hospitalized for sickle cell pain crises*

Alvina Rosales (2014), *Latino youth with diabetes: A mixed methods examination of adherence and metabolic control within the context of sociopolitical and policy challenges*

Amanda Feinstein (2014), *Yoga intervention for adolescent females with polyarticular juvenile idiopathic arthritis*

Don Bearden (2014), *The impact of pain on executive functioning via anxiety in youths with sickle cell disease without a history of stroke*

Naomi Joffe (2012), *Temperament as a predictor of infant immunization distress and response to treatment*

Josie Welkom (2011), *The impact of sickle cell disease on the family: An examination of the illness intrusiveness framework*

Jean Cobb (2010), *Child and parent readiness to change in a clinical sample of obese youth*

Amanda Woods (2009), *Adherence in adolescents with HIV: The impact of body dissatisfaction*

Crystal Lim (2008), *Pain, coping, and quality of life in pediatric sickle cell disease*

Christina Vlahou (2006), *Predictors of treatment adherence in children with inflammatory bowel disease: The role of body image and prospective memory in medication and diet behavior*

Jill E. MacLaren (2006), *Training nursing students in evidence-based nonpharmacological pain management techniques*

Rebecca Bernard (2003), *Use of a token economy to increase exercise in children with cystic fibrosis*

Catherine McClellan (2003), *Evaluation of time out to manage children's noncompliance with cystic fibrosis treatment*

Master's Theses Chaired:

Caitlin Shneider (2021), *Pediatric pain catastrophizing in sickle cell disease: The importance of parenting behavior*

Abigail Robbertz (2021), *Parenting stress in pediatric celiac disease.*

Jensi Gise (2018), *The posttraumatic growth process in young adult survivors of adolescent cancer: The relevance of peer relationships and self-esteem*

Sharon Shih (2018), *An exploratory study of mindfulness in adolescents diagnosed with chronic pain*

Meredith Bishop (2017), *Predictors of parenting stress in pediatric congenital heart disease*

Nikita Rodrigues (2016), *Pediatric chronic abdominal pain nursing: A mixed method analysis of burnout*

Laura Cousins (2014), *The application of a risk-resiliency model in pediatric chronic pain*

Effie Mougianis (2013), *Parent-child behavioral interactions during pediatric immunizations in a Latino sample*

Sarah Martin (2012), *A sequential analysis of parent reassurance and child postoperative distress*

Don Bearden (2008), *Impact of training on parent knowledge and behavior during child immunizations*

Josie Welkom (2007), *Evaluation of predictors of psychosocial functioning in parents of children and adolescents with sickle cell disease*

Naomi Kahn (2006), *Evaluation of a body pillow to aid pediatric spinal fusion recovery*

Jean Mennuti-Washburn (2006), *Gate Control Theory and its application in a physical intervention to reduce children's pain during immunization injections*

Crystal Lim (2006), *Comparison of high and low distraction for pediatric procedural pain*

Jill E. MacLaren (2002), *A comparison of distraction strategies for venipuncture in young children*

Rebecca Bernard (2001), *Parent distress, parent behavior, and infant distress during pediatric immunizations*

Catherine McClellan (2001), *Parent-infant interactions during acute painful procedures*

Undergraduate Honors Theses Chaired:

Jeffrey Sims (2005), *Biases in pain ratings: An experimental analysis*

Don Bearden (2005), *Sequential analyses of parent-infant interactions during painful medical procedures*

Tina Jones (2004), *Predictors of young adult health care behaviors*

Gini McCourt (2003), *Distraction for pediatric procedural pain: Effects on parent health care attitudes*

External Examiner:

Invited External Examiner, Kristen Bailey, (12/2020), *Risk and resilience in recovery from surgery for adolescent idiopathic scoliosis*. Dalhousie University, Halifax, Canada.

Invited External Examiner, Stephen Sharp (10/2016), *Evolution of pain in children and adolescents: Psychosocial and developmental factors*. Macquarie University, Sydney, Australia.

Invited External Review, Rachel Tomlinson (2016), *Positive psychological factors in pediatric pain*. University of Guelph, Guelph, Ontario, Canada.

Invited External Expert Reviewer, Mark Petter Dissertation (5/2013), *An experimental investigation into the effects of mindful attention and train mindfulness on adolescent pain*. Dalhousie University, Halifax, Nova Scotia, Canada.

Invited External “Opponent,” Ilan Sanfi Dissertation (11/2012), *The effect of music therapy as procedural support on distress, anxiety and pain in young children under intravenous access procedures: a randomised controlled trial*. Aalborg University, Aalborg, Denmark.

Invited External Expert Reviewer, Kristy Wright Dissertation (8/2006), *Parental presence during anesthetic induction: Investigations of the effects of parent and child traits and parent-child interactions on child anxiety levels*. Dalhousie University, Halifax, Nova Scotia, Canada.

Other Research Mentorship

Mentor Dr. Jerylm Porter through the Programs to Increase Diversity among Individuals in health related research (PRIDE) program, NIH, NHLBI (5/15 – 2/18)

Mentor Dr. Bonney Reed-Knight on professional career trajectory through the Postdoctoral Fellowship Program in Professional Psychology at Emory University School of Medicine (10/13 – present)

Mentor Dr. Anya Griffin through the Programs to Increase Diversity among Individuals in health related research (PRIDE) program, NIH, NHLBI (5/12 – 2/15)

Mentor Dr. Jennifer Schmidt on professional development and manuscript reviewing through the Journal of Pediatric Psychology mentorship program (11/07 – 05/12)

Mentor Dr. Alcuin Johnson on research development (7/08 – present)

Mentor Dr. Senthil Sadhasivam on Child and Adult Behavioral Interactions and Perioperative Outcomes. Funded by the Foundation for Anesthesia Education and Research, Mentored Research Training Grant (1/07 – 12/10)

Clinical Supervision

Supervise graduate students on child and adult assessment and therapy practicum teams, Georgia State University (9/04 – present)

Supervise graduate students on child therapy practicum teams, West Virginia University (9/00 – 8/04)

As director of child therapy services, supervised clinic assistants and graduate child therapy practicum students, Washington State University (8/98 – 8/00)

Supervised graduate students on child therapy practicum team, University of Georgia (9/97 – 6/98)

TEACHING EXPERIENCE

Graduate Courses

Assessment (Interviewing, Behavioral, Cognitive, and Personality Assessment)

Behavioral Assessment 2 (Adult and Child Personality and Intellectual Testing)

Seminar in Clinical Psychology: Child Behavior Therapy

Seminar in Advance Approaches to Psychological Interventions: Child Clinical and Pediatric Psychology

Research Methods

Child Behavior Therapy Clinical Supervision

Child Behavior Therapy Lecture Series

Undergraduate Courses

Psychology of the Atypical Child

Research Methods in Psychology

Principles of Development

Pediatric Psychology Research Methods

Psychology of Adjustment

Sample Guest Lectures

Behavioral Psychology; Professional Development Seminar; Introductory Psychology; Psychology of Adjustment; Pediatric Psychology; Social Psychology; Abnormal Psychology; Research Design; Child Behavior Therapy; Clinical Assessment; Pediatric Pain Management; Presenting at Conferences; Professional Behavior; Assessment and Treatment of Trichotillomania

Staff Development Training Course on Child Therapy

Egleston Children's Hospital at Emory University, Atlanta, Georgia (5/93)

Special Education Teacher

Full-time substitute while primary teacher was on maternity leave, Middlebury Union Junior High School and High School, Middlebury, Vermont (12/90 – 2/91)
