

ROGER BAKEMAN, Ph.D.
CURRICULUM VITAE

Department of Psychology
Georgia State University
PO Box 5010, Atlanta, GA 30302
(bakeman@gsu.edu)

Home Address:
1339 Miller Avenue
Atlanta, GA 30307
404-523-8285

EDUCATION

University of Texas, 1970–1973, Ph.D. in Psychology
Yale University, 1962–1963, East Asian Studies
Antioch College, 1957–1962, B.A. in History
Universität Tübingen, 1959–1960

ACADEMIC POSITIONS

Professor Emeritus, Georgia State University, 2007–present
Professor, Georgia State University, 1984–2006
Associate Professor, Georgia State University, 1978–1984
Assistant Professor, Georgia State University, 1973–1978
Assistant Instructor, University of Texas, 1972
Research Associate, University of Texas, 1970–1973

OTHER POSITIONS

Brookings Institution, senior research programmer, 1969–1970
Leasco Systems and Research, senior systems analyst, 1969
Yale University Computer Center, manager systems group, 1964–1969
Lyman Hall, Connecticut, teacher, 1963
Ecole d'Humanite, Switzerland, teacher, 1960

HONORS

Outstanding Faculty Scholarship Award, College of Arts and Sciences, GSU, 1999
Fellow, Association for Psychological Science, 1992
Fellow, Division 7, American Psychological Association, 1987
Sigma Xi, 1972
Woodrow Wilson Fellow, 1962
National Honor Society Scholar, 1957

PROFESSIONAL SOCIETIES

American Association of University Professors
American Psychological Association
Association for Psychological Science
International Congress on Infant Studies
Society for Research in Child Development

PROFESSIONAL SERVICE

(a) Editorial Boards

Associate Editor, *Infancy*, 2000–2005
Behavior Research Methods, Instruments, and Computers, 1989–2001
Behavior Research Methods, 2002–2009
Child Development, 1980–1996, 2004–2007
Developmental Psychology, 1988–1992, 1995–1998
Infant Behavior and Development, 1983–1999
Journal of Applied Developmental Psychology, 1990–2006
Merrill-Palmer Quarterly, 1984–2000
Psychological Methods, 1996–1999

(b) Review Panels

Special Emphasis Panel, National Institute on Drug Abuse,
National Institutes of Health, 2007
Ad hoc study section, Normative Behavioral Research on Ethnic Minorities,
National Institutes of Health, 1992
Human Development and Aging Study Section,
National Institutes of Health, 1983–1987
Ad hoc study section, Human Development and Aging,
National Institutes of Health, 1982–1983
Advisory Panel for Social and Developmental Psychology,
National Science Foundation, 1976–1978

(c) Guest Consultant Editor

American Journal of Speech Language Pathology
American Journal on Mental Retardation
Behavior Research and Therapy (Behavioral Assessment)
British Journal of Developmental Psychology
Developmental Psychology
Early Childhood Research Quarterly
Infant Mental Health Journal
International Journal of Behavioral Development
Journal of Consulting and Clinical Psychology
Journal of Family Psychology
Journal of Personality and Social Psychology
Monographs of the Society for Research in Child Development
Psychological Bulletin
Psychological Review
Social Development
Zoo Biology

(d) Other

Program Co-Chair, Society for Research in Child Development, 2004–2005
Advisory Board, Study of Early Child Care, NICHD, 1998–2004
Program Co-Chair, International Conference of Infant Studies, 1997–1998
Credentials Committee, Division 7, American Psychological Association, 1994–1995
Division of Research Grants Advisory Committee, National Institutes of Health, 1992–1996
National Advisory Board, Carolina Institute for Research
on Early Education for the Handicapped, 1983–1988
Faculty member, SRCF-sponsored Institute on the Origins
and Growth of Communication, Newark, DE, June–July 1979

PUBLICATIONS

(a) Articles in Professional Journals

- Compton, M. T., Krishan, S., Broussard, B., Bakeman, R., Fleischmann, M. H., Hankerson-Dyson, D. H., Husbands, L., Stewart, T., D’Orio, B., Oliva, J. R., Watson, A. C., Thompson, N. (in press). Modeling the effects of Crisis Intervention Team (CIT) training for police officers: How knowledge, attitudes, and self-efficacy drive de-escalation skills and referral decisions. *International Journal of Law and Psychiatry*.

POSTERS AND PAPERS PRESENTED AT PROFESSIONAL MEETINGS

- Browngoehl, A., Zitter, A., Wieckowski, A. T., Suma, K., Bakeman, R., Adamson, L. B., & Robins, D. L. (May, 2021). Joint engagement experiences are associated with communication skills and autism severity in toddlers with ASD. Poster to be presented at the virtual annual meeting of the International Society for Autism Research.
- Caughy, M., Tamis-Lemonda, C., Rojas, R., Bakeman, R., Adamson, L., Pacheco, D., Owen, M., Suma, K., & Pace, A. (April 2021). Culture, parenting, and language: Respeto in Latinx mother-child interactions. In K. Suma (Chair), *Placing observations of joint engagement in cultural contexts*. Symposium to be presented at the virtual biennial meeting of the Society for Research in Child Development.

Posters and Papers Presented at Professional Meetings (continued)

- Suma, K., Adamson, L. B., & Bakeman, R. (May, 2019). Autism adversely affects toddlers' joint engagement with sounds, especially speech. Poster presented at the annual meeting of the International Society for Autism Research, Montreal, PQ, Canada.
- Alper, R.M., Luo, R., Pace, A., Mogul, M., Chen, Y., Masek, L., Paterson, S., Adamson, L., Bakeman, R., Golinkoff, R., Owen, M., & Hirsh-Pasek, K. (2018). The Duet Project: A community-based home-visiting partnership. In R.R. Romeo (Chair) *Varying approaches to early language interventions for lower-SES families*. Symposium at the Boston University Conference on Language Development.
- Chen, Y., Masek, L., Alper, R., Luo, R., Mogul, M., Paterson, S., Pace, A., Hirsh-Pasek, K., Adamson, L., Bakeman, R., Owen, M., & Golinkoff, R. (March, 2018). *More than talk: A pilot intervention targeting teacher-child interactions in Early Head Start*. Poster presentation at the Conference on Research Innovations in Early Intervention (CRIEI), San Diego, CA.
- Luo, R.**, Alper, R., Mogul, M., Yu, C., Pace, A., Hirsh-Pasek, K., Adamson, L., Golinkoff, R., Owen, M., Bakeman, R., Masek, L., & Paterson, S. (2018, June). *Building the Bridge: Using Community-Based Participatory Research as an Innovative Approach to Develop Early Language Intervention*. Presented for the XXI International Congress of Infant Studies (ICIS). Philadelphia, PA.
- Adamson, L. B., Bakeman, R., Suma, K., & Robins, D L. (2017, May). How Beginning to Speak Alters Early Parent-Child Interactions in Autism. Oral presentation at the International Meeting for Autism Research, San Francisco, CA.
- Adamson, L. B., Bakeman, R., Suma, K., & Robins, D. (2017, April). *Auditory joint engagement: Autism affects how toddlers share sounds during parent-child interactions*. Poster presented at the biennial meeting of the Society for Research in Child Development, Austin, TX.
- Luo, R., Alper, R., Pace, A., Mogul, M., Hirsh-Pasek, K., Adamson, L., Golinkoff, R., Owen, M., Bakeman, R., & Masek, L. (2017, April). *Developing an early language intervention for children from at-risk families: benefits of community-based participatory research*. In A. Pace (Chair), Promoting mother-infant communication in a U.S. prison nursery program: Identifying needs, barriers, and opportunities. Poster symposium presented at the biennial meeting of the Society for Research in Child Development, Austin, TX.
- Alper, R., Luo, R., Pace, A., Hirsh-Pasek, K., Fischer, J., Mogul, M., Adamson, L., Bakeman, R., Golinkoff, R., Owen, M., Paterson, S., Masek, L., & Tejada, J. (2016, October). *Evidence-based early communication intervention in high-risk neighborhoods*. Seminar presented at the International Meeting for Autism Research, Philadelphia, PA.
- Luo, R., Alper, R., Tejada, J., Masek, L., Mogul, M., Paterson, S., Hirsh-Pasek, K., Adamson, L.B., Bakeman, R., Owen, M., & Golinkoff, R.M. (2016, June). *Enhancing the communication foundation for language development: A community-based participatory research model for intervention*. In A. Pace (Chair), Spreading the words: Exploring innovative models for early language intervention. Symposium presented at the International Society for Early Intervention Conference, Stockholm, Sweden.
- Suma, K., Kellerman, A. M., Vogt, S. E., Bakeman, R., & Adamson, L. B. (2016, May). *Assessing auditory joint attention skills in toddlers*. Poster presented at the biennial meeting of the International Conference on Infant Studies, New Orleans, LA.
- Tejada, J., Masek, L., Luo, R., Alper, R., Pace, A., Mogul, M., Paterson, S., Hirsh-Pasek, K., Adamson, L.B., Bakeman, R., Owen, M., & Golinkoff, R.M. (2016, February). *Enhancing the communication foundation through community based participatory research*. Poster presented at the Conference on Research Innovation in Early Intervention, San Diego, CA.
- Vogt, S. E., Suma, K., Bakeman, R., & Adamson, L. B. (2016, May). *Auditory responding to joint attention skills and language in toddlers with autism, other developmental difficulties, and typical development*. Poster presented at the International Meeting for Autism Research, Baltimore, MD.

Posters and Papers Presented at Professional Meetings (continued)

- Adamson, L. B., Bakeman, R., Hirsh-Pasek, K., Owen, M. T., Golinkoff, R. M., & Suma, K. (2015, March). A strong communication foundation at two prepares lower-class children for language success at three. In K. Hirsh-Pasek (chair), *Where's the gap in the 30-million word gap? Quality interactions predict language success for low income children*. Symposium conducted at the biennial meeting of the Society for Research in Child Development, Philadelphia, PA.
- Mendive, S., Lissi, M. R., Roger Bakeman, R., & Reyes, A. (2015, March). Do maternal practices mediate the relation between maternal education and early literacy skills in Chilean low SES population? In M. Inés Susperreguy (chair), *Parent-child interactions and children's school readiness in Chile and the U.S.* Symposium conducted at the biennial meeting of the Society for Research in Child Development, Philadelphia, PA.
- Owen, M. T., Bakeman, R., Adamson, L., Hirsh-Pasek, K., Golinkoff, R. M., & Dyer, N. (2015, March). Specificity matters: Quality of parent-child communication predicts language success better than overall parenting quality. In K. Hirsh-Pasek (chair), *Where's the gap in the 30-million word gap? Quality interactions predict language success for low income children*. Symposium conducted at the biennial meeting of the Society for Research in Child Development, Philadelphia, PA.
- Pace, A., Golinkoff, R. M., Hirsh-Pasek, K., Yust, P., Reed, J., Toub, T., Adamson, L. B., Bakeman, R., Owen, M. T., & Cadle, C. (2015, March). Have we been sending the wrong message? Quality trumps quantity when predicting language outcomes. In K. Hirsh-Pasek (chair), *Where's the gap in the 30-million word gap? Quality interactions predict language success for low income children*. Symposium conducted at the biennial meeting of the Society for Research in Child Development, Philadelphia, PA.
- Reed, J., Hirsh-Pasek, K., Adamson, L. B., Golinkoff, R. M., Bakeman, R., & Owen, M. T. (2015, March). Keeping the conversation going: The importance of fluency and connectedness for language learning. In C. Yu (chair), *Rethinking the recipe for language growth: Where quantity meets quality of input*. Symposium conducted at the biennial meeting of the Society for Research in Child Development, Philadelphia, PA.
- Adamson, L. B., Bakeman, R., & Robins, D. A., (2013, May). Systematically observing changes in joint engagement during parent-child interactions. In L. B. Adamson and C. Kasari (co-chairs), *Measuring treatment change in core symptoms: Novel methods, meaningful outcomes*. Symposium conducted at the International Meeting for Autism Research, Donostia-San Sebastián, Spain.
- Adamson, L. B., Bakeman, R., & Brandon, B. J. (2013, April). *How parents introduce words to typically developing and young children with autism and Down syndrome*. Poster presented at the biennial meeting of the Society for Research in Child Development, Seattle, WA.
- Adamson, L. B., Bakeman, R., Deckner, D. F., & Nelson, P. B. (2013, April). *Symbol-infused joint engagement during early childhood: From interactions to conversations*. Poster presented at the biennial meeting of the Society for Research in Child Development, Seattle, WA.
- Suma, K., Adamson, L. B., Robins, D. L., & Bakeman, R. (2012, November). *Early intervention before and after ASD screening*. Poster presented at the annual meeting of the American Speech-Language-Hearing Association, Atlanta, GA.
- Adamson, L. B., Bakeman, R., Nelson, P. B., Deckner, D. F., Grossinklaus, A.. (2011, May). *Autism's pervasive effect on early parent-child communication*. Poster presented at the International Meeting for Autism Research, San Diego, CA.
- Bakeman, R., Adamson, L. B., Nelson, P. B., & Dimitrova, N. (2011, April). *Assessing joint engagement in toddlers: Observations and ratings compared*. Poster presented at the biennial meeting of the Society for Research in Child Development, Montreal, Canada.
- Visootsak, J., Adamson, L. B., Bakeman, R., & Hess, B. A. (2011, April). *Effect of heart defects on language development in toddlers with Down syndrome*. Poster presented at the biennial meeting of the Society for Research in Child Development, Montreal, Canada.

Posters and Papers Presented at Professional Meetings (continued)

- Nelson, P. B., Adamson, L. B., & Bakeman, R. (2010, March). *Preschoolers' understanding of mind: the role of affect and language for children with autism and typically developing children*. Poster presented at the Gatlinburg Conference on Research and Theory in Intellectual and Developmental Disabilities, Annapolis, MD.
- Parrott, D.J., Peterson, J.L., & Bakeman, R. (2010, November). *Determinants of aggression based on sexual orientation: A test of gender role enforcement theory*. Paper presented at the annual meeting of the Society for the Scientific Study of Sexuality, Las Vegas, NV.
- Nelson, P. B., Adamson, L. N., & Bakeman, R. (2009, May). *Mothers support children's understanding of mind during a hiding game*. Poster presented at the annual meeting of the Association for Psychological Science, San Francisco, CA.
- Bakeman, R., & Quera, V. (2009, April). *Representing observational data: Revised standards (SDIS 5.0) and new tools*. Poster presented at the biennial meeting of the Society for Research in Child Development, Denver, CO.
- Bakeman, R., Quera, V., & Gnisc, A. (2009, April). *Not all kappas are Cohen's: Observer agreement riddles and solutions*. Poster presented at the biennial meeting of the Society for Research in Child Development, Denver, CO.
- Bakeman, R., Quera, V., & Gnisc, A. (2008, August). *Observer agreement for timed-event sequential data: Time-based and event-based algorithms compared*. Paper presented at the 6th International Conference on Methods and Techniques in Behavioral Research, Maastricht, The Netherlands.
- Adamson, L. B., Bakeman, R., Romski, M.A., Sevcik, R. A., & Deckner, D. F. (2008, March). The Effects of Intervention on the Development of Joint Engagement in Autism. In M. A. Rosmki, (Chair), *Early Communication Intervention Outcomes for Children with Autism Spectrum Disorders*. Symposium conducted at the Gatlinburg Conference on Research/Theory in IDD, San Diego, CA.
- Cote, L. R., Bornstein, M. H., Haynes, O. M., and Bakeman, R. (2008, March). *Mother-infant person-directed and object-directed behaviors: A comparison of Latin Americans, Latino immigrants, and European Americans in the United States*. Poster presented at the biennial meeting of the International Conference on Infant Studies, Vancouver, BC.
- Suwalsky, J. T.D., Cote, L. R., Hendricks, C., Bornstein, M. H., Haynes, O. M., and Bakeman, R. (2008, March). *Mother-infant contingent responsiveness in families by adoption and birth*. Poster presented at the biennial meeting of the International Conference on Infant Studies, Vancouver, BC.
- Deckner, D. F., Adamson, L. A., & Bakeman, R. (2007, April). *Continuity of toddler's precocious verbal status*. Poster presented at the biennial meeting of the Society for Research in Child Development, Boston, MA.
- Nelson, P. B., Adamson, L. A., Bakeman, R., & Deckner, D. F. (2007, April). *Mother-child conversations about desires and beliefs*. Poster presented at the biennial meeting of the Society for Research in Child Development, Boston, MA.
- Bakeman, R. (2007, March). Discussant. In Manian, N., & Bornstein, M. H. (Chairs), *Contingencies in Parent-Child Interactions: Theory, Applications, and Unique Contributions of Sequential Analysis*. Symposium conducted at the biennial meeting of the Society for Research in Child Development, Boston, MA.
- Bearden, D. J., Lim, C., Cohen, L., & Bakeman, R. (2006, October). Parent-infant interactions during acute medical procedures. Poster presented at the International Forum on Pediatric Pain, Halifax, Nova Scotia, Canada.
- Adamson, L. B., Bakeman, R., & Deckner, D. F. (2006, June). Forms of joint engagement and language development in toddlers with autism and Down syndrome. In Y. Oyabu & L. B. Adamson (Co-Chairs), *Broadening views of joint attention in mother-toddler interaction*. Symposium conducted at the biennial meeting of the International Conference on Infant Studies, Kyoto, Japan.

Posters and Papers Presented at Professional Meetings (continued)

- Deckner, D. F., Bakeman, R., & Adamson, L. B. (2006, June). Interest in people and objects and its relation to joint engagement. In Y. Oyabu & L. B. Adamson (Co-Chairs), *Broadening views of joint attention in mother-toddler interactions*. Symposium conducted at the biennial meeting of the International Conference on Infant Studies, Kyoto, Japan.
- Bearden, D. J., Lim, C., Cohen, L., & Bakeman, R. (2006, April). Utilizing sequential analysis to investigate caregiver-infant interactions during routine immunizations. Poster presented at the annual meeting of the Georgia Psychological Association, Atlanta, GA.
- Manian, N., Bakeman, R., Bornstein, M. H., & Shin, H. (2006 March). Sequential analysis of dyadic behaviors in adult and adolescent mothers. Poster presented at the biennial meeting of the Society for Research in Adolescence, San Francisco, CA.
- Adamson, L. B., Bakeman, R., Deckner, D. F., & Robertson, P. D. (2005, April). Forms of engagement and early language development. In N. Akhtar (Chair), *Re-thinking the role of joint attention in early language development*. Symposium conducted at the biennial meeting of the Society for Research in Child Development, Atlanta, GA.
- Bakeman, R. (2005, April). Data analytic axioms: Are things we know really so? In M. Burchinal (Chair), *The good, the bad, and the ugly: Rules and practices in data management and analysis*. Symposium conducted at the biennial meeting of the Society for Research in Child Development, Atlanta, GA.
- Robertson, P. D., Adamson, L. B., & Bakeman, R. (2005, April). *Toddlers' symbol-infused joint engagement facilitates preschoolers' false belief understanding*. Poster presented at the biennial meeting of the Society for Research in Child Development, Atlanta, GA.
- Adamson, L. B., & Bakeman, R. (2004, May). *The reach of speech in early mother-child conversations*. Poster presented at the biennial meeting of the International Conference on Infant Studies, Chicago, IL.
- Angeli, N., Bakeman, R., & Adamson, L. B. (2004, May). *Shyness, symbol-infused joint attention, and language skill*. Poster presented at the biennial meeting of the International Conference on Infant Studies, Chicago, IL.
- Camras, L., Oster, H., Bakeman, R., & Campos, J. (2004, May). Do infants show distinct negative facial expressions for different negative emotions? In M. I. Bendersky (Chair), *The relation of facial expressions to emotion eliciting situations*. Symposium conducted at the International Conference on Infant Studies, Chicago, IL.
- Celano, M., Demi, A., Bakeman, R., & Croft, S. (2004, April). *Predictors of medication adherence among low-income children with asthma*. Paper presented at the Society of Pediatric Psychology National Conference on Child Health Psychology, Charleston, SC.
- Markov-Wember Y., Morris, M. K., Bachanas, P. J., Bakeman, R., Armistead, L., & McWhorter, A. (2004, April). *Predictors of Medication Adherence in Children with HIV: The Role of Caregiver Health Beliefs*. Poster presented at the Society of Pediatric Psychology National Conference on Child Health Psychology, Charleston, SC.
- Bakeman, R., & Adamson, L. B. (2003, April). *Symbol use during joint attention with mothers affects toddlers' language at 30 months*. Poster presented at the biennial meeting of the Society for Research on Child Development, Tampa, FL.
- Deckner, D., Adamson, L. B., & Bakeman, R. (2003, April). *Shared book reading and early language development*. Poster presented at the biennial meeting of the Society for Research on Child Development, Tampa, FL.
- Deckner, D. F., Adamson, L. B., & Bakeman, R. (2003, May). *Effects of home literacy practices and child interest on expressive language and emergent literacy development*. Poster presented at the biennial meeting of the American Psychological Society, Atlanta, GA.
- Peterson, J. L., & Bakeman, R. (2003, June) *HIV Testing among YAAMSM and the Moderating Effect of Setting*. Poster presented at the 9th Biennial Conference on Community Research and Action, Las Vegas, NM.

Posters and Papers Presented at Professional Meetings (continued)

- Adamson, L. B., & Bakeman, R. (2002, April). *The reach of maternal speech to toddlers*. Poster presented at the biennial meeting of the International Conference on Infant Studies, Toronto, ON.
- Adamson, L. B., & Bakeman, R. (2002, November). Viewing early communication development in young children with developmental disabilities. In M. A. Ronski (Chair), *Research with children at risk for communication and language development*. Symposium conducted at the annual meeting of the American Speech-Language-Hearing Association, Atlanta, GA.
- Adamson, L. B., Bakeman, R., & Deckner, D. F. (2002, March). Atypical patterns in joint attention development. In F. Koshikawa (Chair), *Development of joint attention and its applicability to the clinical field of children*. Symposium conducted at annual meeting of the Japanese Society of Developmental Psychology, Tokyo.
- Becker, M., Buder, E., Bakeman, R., Price, M., & Ward, J. (2002, August). Quantitative evidence for structured communication between mother and infant in the small-eared bushbaby, *Otolemur garnettii*. In S. Gursky & A. Nekaris (Chairs), *Mating, birth, and parental care systems of nocturnal prosimians*. Symposium conducted at the annual meeting of the International Primatological Society, Beijing, China
- Deckner, D. F., Adamson, L. B., & Bakeman, R. (2002, April). *Direct and indirect effects of parental reading practices on infant language development*. Poster presented at the biennial meeting of the International Conference on Infant Studies, Toronto, Canada.
- Zucker, M., Morris, M.K., Ingram, S., Morris, R.D., & Bakeman, R. (2002, February). *Self-informant rating concordance for adults' current and childhood ADHD symptoms*. Poster presented at the annual meeting of the International Neuropsychological Society, Toronto, Canada.
- Adamson, L. B., Bakeman, R., & Deckner, D. F. (2001, March). Viewing extreme variations in early communication development. In C. Kasari & M. A. Ronski (Chairs), *Early communication development in young children with developmental delays*. Symposium conducted at the Annual Gatlinburg Conference, Charleston, SC.
- Adamson, L. B., Bakeman, R., & Deckner, D. F. (2001, April). *A longitudinal study of the emergence of symbol-infused joint attention*. Poster presented at the biennial meeting of the Society for Research on Child Development, Minneapolis, MN.
- Adamson, L. B., Bakeman, R., Deckner, D. F., & Dunbar, B. (2000, July). A developmental perspective on the joint attention deficit in autism. In M. Harris (Chair), *Typical and atypical pathways to symbolic communication*. Symposium conducted at the biennial meeting of the International Conference on Infant Studies, Brighton, England.
- Brown, J.V., Bakeman, R., & Coles, C. D. (2000, July). The use of the NAPI to assess preterms and fullterms at low medical risk but at high socioeconomic risk. In J. V. Brown (Chair), *The neurobehavioral assessment of the preterm infant: A symposium in celebration of the scientific contributions of Anneliese Korner*. Symposium conducted at the biennial meeting of the International Conference on Infant Studies, Brighton, England.
- Deckner D. F., Adamson L. B., & Bakeman R. (2000, July). *Rhythm in mother-child communicative interactions at 18 and 24 months*. Poster presented at the biennial meeting of the International Conference on Infant Studies, Brighton, England.
- Markov Y., Adamson L. B., Bakeman R. (2000, July). *Infants' communicative strategies during social referencing violations*. Poster presented at the biennial meeting of the International Conference on Infant Studies, Brighton, England.
- Brown, J. V., Bakeman, R., Demi, A., Golbach, T. (1999, April). *A home-based intervention designed for low-income families of young children with asthma*. Poster presented at the biennial meeting of the Society for Research on Child Development, Albuquerque, NM.
- Brown, J.V., Demi, A.S., Celano, M., Kobrynski, L., Bakeman, R., & Wilson, S. A. (1999, June). *Home-based intervention for low-income families of young children with asthma: Barriers to implementation*. Sigma Theta Tau International, London, England.

Posters and Papers Presented at Professional Meetings (continued)

- Celano, M., Brown, J. V., Fails, J., Bakeman, R., Demi, A., & Shabazz, K. (1999, April). *Medication adherence and quality of life of low income families of young children with asthma: Preliminary findings from a clinical trial*. Poster presented at the Florida Conference on Child Health Psychology, Gainesville, FL.
- Demi, A.S., Brown, J.V., Bakeman, R., & Celano, M. (1999, September). *Young children's participation in asthma self-management: Evaluation of a nurse-provided, home-based intervention*. International State of the Science Congress: Better Health Through Nursing Research. Washington, DC.
- Demi, A., . Brown, J.V., Bakeman, R., & Celano, M. (1999, February). *Asthma education needs of low-income inner city families with preschool asthmatic children*. Southern Nursing Research Society, 13th Annual Conference, Negotiating Nursing's Research Agenda in the 21st Century, Charleston SC.
- Demi, A.S. , Brown, J.V., Wilson, S.R., Bakeman, R., Celano, M., Kobrynski, L., Geller, R.J., & Phillips, K. (1999, April). *Educational needs of low-income families of young children with asthma*. American Lung Association/American Thoracic Association International Conference, San Diego, CA.
- Reviere, S.L. & Bakeman, R.A. (1998, November). Relations Among Self-Concept, Childhood Memories, and Trauma. In R. Fivush (Chair), *The Effects of Abuse and Trauma on Memory Across the Lifespan*. Symposium presented at the annual meeting of the International Society of Traumatic Stress Studies, Washington, DC.
- Bakeman, R. (1998, August). *Analysis of sequential data: Methods, techniques, and software tools*. Paper presented at the 2nd International Conference on Methods and Techniques in Behavioral Research, Groningen, The Netherlands.
- Quera, V., & Bakeman, R. (1998, August). *SDIS-GSEQ 2.0: Software for the analysis of behavior sequences*. Paper presented at 2nd International Conference on Methods and Techniques in Behavioral Research, Groningen, The Netherlands.
- Nowik-Stern, A., Clarkson, M.G., & Bakeman, R. (1998, April). *The effect of premature infants' speech preferences on mother-preterm interaction*. Paper presented at the biennial meeting of the International Conference on Infant Studies, Atlanta, GA.
- Bakeman, R., McArthur, D., and Quera, V. (1997, April). *Minimum values for number of events and kappa when coding behavioral sequences*. Paper presented at the biennial meeting of the Society for Research on Child Development, Washington, DC.
- Bakeman, R., & Querea, V. (1997, March). Quantification strategies in behavioral observational research. In G. Berkson (Chair), *Strategies for measuring human behavior in natural settings*. Symposium presented at the 30th annual Gatlinburg Conference, Riverside, CA.
- Demi, A., Moneyham, L., Sowell, R., & Bakeman, R. (1997, April). *Development of a scale to measure stigma related to HIV infection*. Paper presented at the Eleventh Annual Conference, Southern Nursing Research Society, Norfolk, VA.
- Demi, A., Bakeman, R., Moneyham, L., Sowell, R., & Seals, B. (1997, April). *Social Factors Related to Suicidality Among HIV Infected Women*. Paper presented at the Southern Sociological Society, New Orleans, LA.
- Perilla, J. L., & Bakeman, R. (1997, July). Observing interactions: The case of Latino immigrant couples. Paper accepted for presentation at I Regional Congress of Psychology for Professionals in the Americas, Mexico City.
- Bryan, R., Brown, J. V., Bakeman, R., & Coles, C. D. (1996, April). Rating emotional states in 6-month-old infants: A downward extension of the KIDIES. Paper presented at the Tenth International Conference on Infant Studies, Providence, RI. (Abstract published in *Infant Behavior and Development*, 1996, 19, 542.)
- Demi, A., Bakeman, R., Sowell, R., & Moneyham, L. (1996, October). *Suicidality among HIV infected women*. Paper presented at the Ninth Annual Association of Nurses in AIDS Care, Chicago, IL.

Posters and Papers Presented at Professional Meetings (continued)

- Demi, A., Bakeman, R., Moneyham, L., Sowell, R., & Seals, B. (1996, July). *Effects of resources and stressors on burden and depression of family members who provide care to an HIV infected woman*. Official Satellite Conference of the XI International Conference on AIDS, Vancouver, British Columbia, Canada.
- DemiA., Bakeman, R., Sowell, R., & Moneyham, L. (1996, June). *Stressors, resources, and burden in family members who are a primary support to an HIV infected woman*. ANA Council for Nursing Research 1996 Scientific Sessions, Washington, DC.
- Bakeman, R., Robinson, B. F., & Quera, V. (1995, April). *Testing Sequential Association: Estimating Exact P Values using Sampled Permutations*. Paper presented at the IV Symposium de Metodología de las Ciencias del Comportamiento, La Manga del Mar Menor, Spain.
- Bakeman, R., & Quera, V. (1995, April). *Lag-sequential statistics when codes cannot follow themselves: A Monte Carlo study*. Paper presented at the biennial meeting of the Society for Research in Child Development, Indianapolis, IN.
- Quera, V., & Bakeman, R. (1995, April). *SDIS-GSEQ: Un paquete de programas de ordenador para el análisis secuencial de datos observacionales*. Comunicación presentada en el IV Symposium de Metodología de las Ciencias del Comportamiento, La Manga del Mar Menor, Spain.
- Logan, K. R., Rankin, D. H., & Bakeman, R. (1994, December). *Engagement levles of students with sever disabilities in regular education classes*. Paper presented at the twenty-first annual conference of The Association for Persons with Severe Handicaps, Atlanta, GA.
- Demi, A. S., Bakeman, R., Seals, B., Sowell, R., & Moneyham, L. (1994, November). *Methodological issues in conducting research on HIV+ women and their families*. Paper presented at the National Council on Family Relations Annual Conference, Minneapolis, MN.
- Demi, A. S., Seals, B., Bakeman, R., Sowell, R., & Moneyham, L. (1994, November). *Relationship of stigma, disclosure, and family structure to family members' participation in a study of HIV+ women and their families*. Paper presented at the National Council on Family Relations Annual Conference, Minneapolis, MN.
- Brown, J. V., Bakeman, R., Coles, C. D., Demi, A., & Sexson, W. R. (1994, June). *Neonatal outcome in infants exposed to cocaine: Are preterms more severely affected than fullterms?* Paper presented at the Ninth International Conference on Infant Studies, Paris. (Abstract published in *Infant Behavior and Development*, 1994, 17, 542.)
- Bakeman, R., & Adamson, L. B. (1994, June). *Inducing and recruiting: Sequential analyses of !Kung infant communication*. Plenary session at the Twenty-Fourth Annual Symposium of the Jean Piaget Society, Chicago, IL.
- Brown, J. V., Bakeman, R., Coles, C. D., Demi, A., & Sexson, W. R. (1994, May). *Neonatal outcome in infants exposed to cocaine: Are preterms more severely affected than fullterms?* Paper presented at the at the meeting of the Society for Pediatric Research, Seattle, WA. (Abstract published in *Pediatric Research*, 1994, 35, 217.)
- Beech, S. R. H., Brooks, A. E., Nelson, G. M., & Bakeman, R. (1993, November). *The relationship between aggressive and depressive behavior revisited*. In S. L. Sayers (Chair), *State of the art: Major depression and the link to hostile, depressive, and withdrawal behavior in marriage*. Symposium presented at the annual meeting of the American Association for Behavior Therapy, Atlanta, GA.
- Bakeman, R. (1992, March). *Machismo: Relations to self-esteem and risk*. Paper presented at the biennial meeting of the Society for Research on Adolescence, Washington, DC.
- Reviere, S., & Bakeman, R. (1992, March). *Multicultural competence: Effects of generation and ethnicity*. In J. S. Phinney (Chair), *Combining cultures: Minority, immigrant, and biracial adolescents in multicultural settings*. Symposium presented at the biennial meeting of the Society for Research on Adolescence, Washington, DC.
- Shahar, F. G., & Bakeman, R. (1992, March). *Internalized homophobia in lesbians: A construct validity study*. Paper presented at the annual meeting of the Southeastern Psychological Association, Knoxville, TN.

Posters and Papers Presented at Professional Meetings (continued)

- Helmrich, J., & Bakeman, R. (1991, November). *Interpersonal verbalizations and growth in group psychotherapy: An empirical study*. Paper presented at the annual meeting of the North American Society for Psychotherapy Research, Panama City, FL.
- Forthman, D. L., Bakeman, R., Perkins, L. A., & Rogan, J. E. (1991, June). *Behavior of captive slothbears (Ursus ursinus): Comparison of loglinear and analysis of variance models in zoo research*. Paper presented at the annual meeting of the Animal Behavior Society, Wilmington, NC.
- Hyche, J. K., Jr., Bakeman, R., & Adamson, L. B. (1991, April). *Communicative cues of infants with Down syndrome: Mothers' and infants' effects*. Paper presented at the biennial meeting of the Society for Research in Child Development, Seattle, WA.
- Romski, M. A., Sevcik, R. A., Robinson, B., & Bakeman, R. (1991, April). *Effect of augmented language use by children with mental retardation on their communicative success and effectiveness*. Paper presented at the biennial meeting of the Society for Research in Child Development, Seattle, WA.
- Manne, S. L., Bakeman, R., Jacobsen, P., Gorfinkle, K., Gersein, F., & Redd, W. H. (1991, March). *Adult and child interaction during venipuncture: A sequential analysis*. Paper presented at the annual meeting of the Society of Behavioral Medicine, Washington, DC.
- Stevens, J. H., Jr., & Bakeman, R. (1990, March). Social influences on adolescent mothers' parenting beliefs and behavior. In R. Simmons (Chair), *Minorities and adolescence*. Symposium presented at the biennial meeting of the Society for Research on Adolescence, Atlanta, GA.
- Stevens, J. H., Jr., & Bakeman, R. (1990, March). Generational continuity in parenting during infancy: Grandmothers and teen mothers. In M. Felice & P. L. Chase-Lansdale (Chairs), *The teenage parent and her child: Current and future research*. Symposium presented at the biennial meeting of the Society for Research on Adolescence, Atlanta, GA.
- Barr, R., Bakeman, R., Konner, M., & Adamson, L. B. (1989, July). *The function of crying and smiling in !Kung infants: Affective signals in a dense social context*. Paper presented at the tenth biennial meeting of the International Study of Behavioural Development, Jyväskylä, Finland.
- Bakeman, R. (1989, April). Empirical and sampling independence in sequential analysis. In M. I. Appelbaum (Chair), *Quantitative advances for developmental psychology*. Symposium presented at the biennial meeting of the Society for Research in Child Development, Kansas City, MO.
- Walters, A. S., Adamson, L. B., & Bakeman, R. (1989, April). *Interacting with a new partner*. Paper presented at the biennial meeting of the Society for Research in Child Development, Kansas City, MO.
- Bakeman, R. (1988, August). AIDS statistics and minorities: Implications for prevention, education, and research. In C. D. Kennedy (Chair), *Halting the AIDS epidemic in the black community*. Symposium presented at the annual meeting of the American Psychological Association, Atlanta, GA.
- Bagley, B., Bakeman, R., Jackson, R. E., & Alexander, W. A. (1988, August). *AIDS education and attitudes: Experience with minority students*. Paper presented at the annual meeting of the American Psychological Association, Atlanta, GA.
- Gablioni, V. I., & Bakeman, R. (1988, August). *Gender differences in children's cartoons of the 1980's*. Paper presented at the annual meeting of the American Psychological Association, Atlanta, GA.
- Jackson, R. E., Alexander, W. A., Bakeman, R., & Bagley, B. (1988, June). *AIDS education and attitudes: Experience with minority college students*. Paper presented at the IV International Conference on AIDS, Stockholm, Sweden.
- Barr, R., Bakeman, R., Konner, M., & Adamson, L. B. (1988, May). *Smiling and laughing in !Kung infants: Signaling beyond mother*. Paper presented at the meetings of the Ambulatory Pediatric Association, Washington, DC.
- Adamson, L. B., & Bakeman, R. (1988, April). Guiding infants towards cultural understanding. In A. Fogel & B. Rogoff (Chairs), *Social interaction as guidance in infancy*. Symposium presented at the Sixth Biennial International Conference on Infant Studies, Washington, DC.

Posters and Papers Presented at Professional Meetings (continued)

- Rosen, W. D., Adamson, L. B., & Bakeman, R. (1988, April). *Infant-mother affective communication*. Paper presented at the Sixth Biennial International Conference on Infant Studies, Washington, DC. (Abstract published in *Infant Behavior and Development*, 1988, 11, 278.)
- Rubin, C., Adamson, L. B., & Bakeman, R. (1988, April). *Prenatal alcohol exposure: Engagement state and mother-infant interactions*. Paper presented at the meetings of the International Association for Infant Mental Health, Providence, RI.
- Turkheimer, M., Bakeman, R., & Adamson, L. B. (1988, March). *Do mothers support and peers inhibit skilled object play in infancy?* Paper presented at the biennial Conference on Human Development, Charleston, SC.
- Barr, R., Bakeman, R., Konner, M., & Adamson, L. B. (1987, May). *Crying in !Kung Infants: Distress signals in a responsive context*. Paper presented at the meetings of the Ambulatory Pediatric Association, Anaheim, CA. (Abstract published in *American Journal of Diseases of Children*, 141, 386.)
- Barr, R., Konner, M., Bakeman, R., & Adamson, L. B. (1987, May). *Crying in !Kung infants: A test of the cultural specificity hypothesis*. Paper presented at the meeting of the Society for Pediatric Research, Anaheim, CA. (Abstract published in *Pediatric Research*, 2, 178A.)
- Bakeman, R., Adamson, L. B., & Walters, A. (1987, April). *Guiding infants' development: Are mothers at the cutting edge?* Paper presented at the biennial meeting of the Society for Research in Child Development, Baltimore, MD.
- Daniels-Mohring, D., & Bakeman, R. (1987, April). *Effects of emotional disturbance in older siblings on sibling relationships*. Paper presented at the biennial meeting of the Society for Research in Child Development, Baltimore, MD.
- Bakeman, R. (1986, August). *Changes in the sexual behavior of gay men: An Atlanta survey*. Paper presented at the annual meeting of the American Psychological Association, Washington, DC.
- Adamson, L. B., Bakeman, R., Smith, C. B., & Walters, A. (1986, August). *Adults' interpretation of infants' acts*. Paper presented at the annual meeting of the American Psychological Association, Washington, DC. (Abstract published in the *APA Newsletter of Division 7*, Spring 1986, 32.)
- Adamson, L. B., & Bakeman, R. (1986, April). *The socialization of attention during infancy*. Paper presented at the biennial meeting of the Southeastern Conference on Human Development, Nashville, TN.
- Smith, C. B., Adamson, L. B., & Bakeman, R. (1986, April). *Interactional predictors of early language*. Paper presented at the Fifth International Conference on Infant Studies, Los Angeles, CA. (Abstract published in *Infant Behavior and Development*, 1986, 9, 347).
- Adamson, L. B., & Bakeman, R. (1985, April). *Infants' conventionalized acts with mothers and peers*. Paper presented at the biennial meeting of the Society for Research in Child Development, Toronto, Canada.
- Bakeman, R., & Adamson, L. B. (1984, April). *Infants' affective displays with mothers and peers*. Paper presented at the Fourth International Conference on Infant Studies, New York, NY. (Abstract published in *Infant Behavior and Development*, 1984, 7, 20.)
- Stevens, J. H., Jr., & Bakeman, R. (1983, August). *Caldwell's HOME Scale for Infants: Are the subscales coherent?* Paper presented at the annual meeting of the American Psychological Association, Anaheim, CA.
- Bakeman, R., & Adamson, L. B. (1983, April). *Joint engagement in mother-infant and peer-infant play*. Paper presented at the biennial meeting of the Society for Research in Child Development, Detroit, MI.
- Adamson, L. B., & Bakeman, R. (1983, March). *Affect and deed: Developmental changes in infant communication*. Paper presented at the annual meeting of the Southeastern Psychological Association, Atlanta, GA. (Available as ERIC document #PS013748.)
- Bakeman, R., & Adamson, L. B. (1982, October). *Infant peers: Does affect aid communication?* Paper presented at the meeting of the Society of Southeastern Social Psychologists, Asheville, NC.

Posters and Papers Presented at Professional Meetings (continued)

- Adamson, L. B., & Bakeman, R. (1982, March). Encoding videotaped interactions: From counts to context. Paper presented at the Third International Conference on Infant Studies, Austin, TX. (Abstract published in *Infant Behavior and Development*, 1982, 5, 3.)
- Adamson, L. B., & Bakeman, R. (1981, March). The affective foundation of early referential communication. In D. M. Rumbaugh (Chair), *Language and cognition*. Symposium presented at the annual meeting of the Southeastern Psychological Association, Atlanta, GA.
- Brownlee, J. R., & Bakeman, R. (1980, September). Conventionalized hitting as used in early peer communication. Paper presented at the annual meeting of the American Psychological Association, Montreal, Canada.
- Bianchi, B. D., & Bakeman, R. (1980, September). Sex-typed affiliation preference: Mixed-sex play in an open school. Paper presented at the annual meeting of the American Psychological Association, Montreal, Canada.
- Brownlee, J. R., & Bakeman, R. (1980, April). Social rules governing object possession in one- and three-year-olds. Paper presented at the biennial meeting of the Southeastern Conference on Human Development, Alexandria, VA.
- Brownlee, J. R., & Bakeman, R. (1979, October). Development of communicative abilities in toddlers. Paper presented at the meeting of the Society of Southeastern Social Psychologists, Clemson, SC.
- Bakeman, R., & Brown, J. V. (1979, March). Early interaction: Consequences for social and mental development at three years. Paper presented at the biennial meeting of the Society for Research in Child Development, San Francisco, CA.
- Bakeman, R. (1978, November). Tracking change in social behavior. In W. G. Graziano (Chair), *Non-experimental research methods*. Symposium presented at the meeting of the Society of Southeastern Social Psychologists, Athens, GA.
- Bakeman, R. (1978, August). Early interaction style: Consequences for social and cognitive development. In R. Bakeman (Chair), *The high risk infant: Is the risk social?* Symposium presented at the annual meeting of the American Psychological Association, Toronto, Canada.
- Mathis, S. A., & Bakeman, R. (1978, September). Privacy in public: Crowding and sex effects in a laundromat. Paper presented at the annual meeting of the American Psychological Association, Toronto, Canada.
- Bakeman, R., & Brown, J. V. (1978, April). Assessing early interaction: Methodologies and limitations. In K. G. Scott (Chair), *Social responsiveness of term and preterm infants*. Symposium presented at the biennial meeting of the Southeastern Conference on Human Development, Atlanta, GA.
- Brown, J. V., & Bakeman, R. (1977, April). Behavioral dialogues between mother and infants: The effect of prematurity. Paper presented at the meeting of the American Pediatric Society, San Francisco, CA.
- Bakeman, R., & Brown, J. V. (1977, March). Perinatal risk, mother-infant interaction, and early developmental outcome of preterm and fullterm infants. Paper presented at the biennial meeting of the Society for Research in Child Development, New Orleans, LA.
- Brown, J. V., & Bakeman, R. (1977, March). Antecedents of emotional involvement in mothers of premature and fullterm infants. Paper presented at the biennial meeting of the Society for Research in Child Development, New Orleans, LA.
- Bakeman, R., & Bianchi, B. (1976, September). Social interaction among preschool children: Sex differences and environmental influences. In L. Wheeler (Chair), *Perspectives on social interaction*. Symposium presented at the annual meeting of the American Psychological Association, Washington, DC.
- Tranavsky, P. A., & Bakeman, R. (1976, September). Physical attractiveness and social behavior in nursery school children. Paper presented at the annual meeting of the American Psychological Association, Washington, DC.

Posters and Papers Presented at Professional Meetings (continued)

- Bakeman, R., Brown, J. V., Snyder, P., & Ptacek, S. (1975, April). Effects of maternal medication on mother-infant interaction: Methodological considerations. Paper presented at the biennial meeting of the Society for Research in Child Development, Denver, CO.
- Bakeman, R., & Beck, S. (1974, May). Age and attribution: Actor/observer effects on fifth and tenth graders. Paper presented at the annual meeting of the Midwestern Psychological Association, Chicago, IL.
- Bakeman, R. (1974, March). Analysis of mother-infant interaction data. In J. V. Brown (Chair), *An ethological study of mother-infant interactions: An inner city sample*. Symposium presented at the biennial meeting of the Southeastern Society for Research in Child Development, Chapel Hill, NC.
- Helmreich, R., & Bakeman, R. (1972, August). Cohesiveness and solitude: Effects on performance in an undersea environment. Paper presented at the International Congress of Psychology, Tokyo, Japan.

INVITED CONFERENCE PRESENTATIONS, WORKSHOPS, ETC.

- Data modification with GSEQ*. Rachel Barr, moderator. Tools of the trade: Behavioral coding webinar. Sponsored by the International Congress of Infant Studies (ICIS) (2021, May).
- Picturing and understanding behavior: Where we have been, where we can go*. Symposium on Behavioral Research Technologies and Advanced Analysis Methods. Mangold International, Emory University, Atlanta, GA (2014, May).
- L'osservazione e l'analisi sequenziale dell'interazione sociale*. Methodology Workshop (with Augusto Gnisci), Association of Italian Psychology, Bertinoro, Italy (2011, July).
- Boxed in by small sample sizes: Some ways out of the box*. In N. Brady (discussion leader), *Options for Research Design: Integrating Group and Single Subject Designs, How Do We Advance the Evidence Base?* Panel discussion, National Joint Committee for the Communication Needs of Persons with Severe Disabilities Research Conference, Atlanta, GA (2011, June).
- Observational and mixed methods: Archives can give them legs*. Science of Family Research Workshop (Institute of Medicine-National Research Council Board on Child, Youth, and Families), Washington, DC (2010, July).
- L'analisi dell'Interazione Sociale*. Methodology Workshop (with Augusto Gnisci and Vicenç Quera), Seconda Università di Napoli, Naples, Italy (2009, June).
- Observational methodology: Current concepts and tools*. Workshop (with Vicenç Quera), Center for Research on Atypical Development and Learning, Georgia State University, Atlanta, GA (2009, May).
- L'osservazione e l'analisi sequenziale dell'interazione sociale*. Methodology Workshop (with Augusto Gnisci and Vicenç Quera), Association of Italian Psychology, Bertinoro, Italy (2004, July).
- Observational Method and Data Analysis*. Pre-conference Workshop, International Society for the Study of Behavioral Development, Ottawa (2002, August).
- Analyzing interaction with Bakeman and Quera's Generalized Sequential Quierier (GSEQ)*. Workshop, Institute of Human Development, University of California, Berkeley (2002, July).
- The relationship of family structure to psychological distress in HIV infected women* (Demi, A., Bakeman, R., Moneyham, L., Sowell, R., Cohen, L., & Seals, B.). HIV infection in women: Setting a new agenda, conference sponsored by NIH, CDC, FDA, HRSA, AHCPR, & USPHS, Washington, DC (1995, February).
- Methodological Issues in Conducting Research on HIV+ Women and Their Families* (Demi, A., Bakeman, R., Moneyham, L., Seals, B., & Sowell, R.). National Council on Family Relations Annual Conference, Minneapolis, MN (1994, November).
- Psychosocial Stressors and Resistance Factors Affecting HIV Positive Women* (Demi, A., Bakeman, R., Moneyham, L., Sowell, R., Cohen, L., Guillory, J., & Seals, B.). Psychosocial and Behavioral Factors in Women's Health Conference, sponsored by the American Psychological Association, Washington, DC. (1994, May).

Invited Conference Presentations, Workshops, etc. (continued)

- Teaching a cultural diversity course in psychology: The instructor's perspective* (1994, March). Workshop presented at the DeKalb College/Georgia State University-sponsored conference, Diversity in the Curriculum: Cultural, International, and Gender Issues, Atlanta, GA (with J. L. Perilla & C. Bruce).
- Discussant (1993, November). S. L. Sayers (Chair), *State of the Art: Major depression and the link to hostile, depressive, and withdrawal behavior in marriage*. Symposium presented at the annual meeting of the American Association for Behavior Therapy, Atlanta, GA.
- Sequential analysis* (1993, November). Advanced Methodology and Statistics Seminar presented at the annual meeting of the American Association for Behavior Therapy, Atlanta, GA.
- Sequential analysis, log-linear analysis, and therapy transcripts* (1991, December). NIMH-sponsored workshop on statistical methods in psychoanalytic research, New York, NY.
- Log-linear analysis: Applications for psychotherapy research* (1991, October). NIMH-sponsored workshop on statistical methods in psychotherapy research, Panama City, FL.
- Sequential analysis and its application to psychotherapy research* (1990, June). NIMH-sponsored workshop on statistical methods in psychotherapy research, Wintergreen, VA.
- Can early interaction predict? How and how much?* (1987, April). NICHD-sponsored conference on Continuity in Development, Leesburg, VA.
- Sequential analysis* (1982, March). Conversation hour at the Third International Conference on Infant Studies, Austin, TX (with G. Sackett and A. Fogel).
- How to write grants that reviewers like to read* (1982, March). Conversation hour at the annual meeting of the Southeastern Psychological Association, New Orleans, LA.
- Discussant (1981, April). K. A. Dodge (Chair), *Methodological and substantive issues in the observation of peer interaction*. Symposium presented at the biennial meeting of the Society for Research in Child Development, Boston, MA.
- Affective displays of high-risk infants* (1980, December). Symposium, Mailman Center for Child Development, University of Miami, FL (with L. B. Adamson).
- Discussant (1979, September). J. W. Gown (Chair), *Handicapped infants and their mothers*. Symposium presented at the annual meeting of the American Psychological Association, New York, NY.
- Issues involved in longitudinal research with high-risk infants* (1978, March). Workshop presented at the First International Conference on Infant Studies, Providence, RI.
- Psychosocial risks during pregnancy and early infancy* (1978, February). NICHD-sponsored symposium, Austin, TX.
- Analysis of social interaction data* (1977, March). NICHD-sponsored workshop, New Orleans, LA.
- Premature infants and their mothers: Implications for psychological care* (1977, February). Symposium presented at an Interdisciplinary Conference on Parenting, Georgia State University, Atlanta, GA (with J. V. Brown).
- The application of observational-ethological methods to the study of mental retardation* (1976, June). NICHD-sponsored conference, Lake Wilderness, WA.
- Discussant (1975, April). L. Yarrow (Chair), *Methodological issues in studying bidirectional influences in mother-infant interaction*. Discussion group at the biennial meeting of the Society for Research in Child Development, Denver, CO.

INVITED TALKS

- Department of Psychology, Emory University, October 2016
Centers for Disease Control and Prevention, Statistics Day Keynote, September 2016
Departamento de Metodología de las Ciencias del Comportamiento, Facultad de Psicología,
Universidad de Barcelona, June 2008

Social Psychology Program, Ohio State University, November 1977
Department of Psychology, University of Waterloo, June 1976
Department of Psychiatry, Emory University School of Medicine, February 1976 (with J. V. Brown)

GRANTS

The development of joint attention after infancy. Grant awarded by the *National Institutes of Health*, April 1998–June 2019 (RO1 HD35612): Co-investigator (Lauren B. Adamson, Principal Investigator).

Gesture as a forerunner of linguistic change: Insights from autism. Grant awarded by the *National Science Foundation*, April 2013–March 2016 (1251337): Co-investigator (Şeyda Özçalışkan, Principal Investigator).

Parent-Implemented Language Intervention for Young Children with Developmental Disabilities. Grant awarded by the *US Department of Education/Institute of Educational Sciences*, May 2008–March 2013 (R324A070122): Co-investigator (MaryAnn Ronski, Principal Investigator).

- Group Interventions for Abused, Suicidal Black Women. Grant awarded by the *NIH/National Institute of Mental Health*, September 2007–June 2012 (R01 MH078002): Co-investigator (Nadine Kaslow, Principal Investigator).
- Promoting sleep in mothers of low birth weight infants: A pilot study. Grant awarded by *NIH/National Institute of Nursing Research*, April 2008–March 2010 (R15NR010152): Co-investigator (Shih-Yu Lee, Principal Investigator).
- Prenatal Tobacco Use: Auditory Processing and Language. Grant awarded by the *National Institute of Child Health and Human Development*, April 2003–March 2008: Co-investigator (Claire D. Coles, Principal Investigator).
- Augmented language intervention for toddlers. Grant awarded by the *National Institute of Deafness and Other Communicative Disorders*, March 2000–February, 2005: Co-Investigator (M. A. Ronski, Principal Investigator).
- Neglect, adherence, and depression in asthmatic children. Grant awarded by the *National Institutes of Health*, May 2001–April 2006: Co-investigator (Marianne P. Celano, Principal Investigator).
- The development of joint attention after infancy. Shannon Award awarded by the *National Institute for Child Health and Human Development*, National Institutes of Health, October 1997–September 1999 (HD35612): Co-investigator (Lauren B. Adamson, Principal Investigator).
- Young children with asthma: Home-based nurse intervention. Grant awarded by the *National Institute of Nursing Research*, National Institutes of Health, July 1997–June 2000 (NR04431): Co-investigator (Josephine V. Brown, Principal Investigator).
- Domestic abuse among Latinos: Description and intervention. Grant awarded by National Institute of Drug Abuse, National Institutes of Health, October 1996–September 1998 (DA11152): Co-investigator (Julia L. Perilla, Principal Investigator).
- Family Responses to AIDS/HIV Infection: Stressors, Resistance Factors, and Outcomes. Grant awarded by the *Centers for Disease Control and Prevention*, April 1993–February 1996: Co-investigator (Alice S. Demi, Principal Investigator, GSU subcontract; Richard Sowell, AID Atlanta, Principal Investigator).
- Stress and Coping in Cocaine Exposed Infants. Grant awarded by the *National Institute of Drug Abuse*, August 1991–July 1996: Co-investigator (Josephine V. Brown, Principal Investigator, GSU subcontract; Claire D. Coles, Emory University, Principal Investigator).
- Psychological Services for Healthy HIV+ Individuals. Grant awarded by *Helping Hands of Atlanta*, October 1989–August 1990, September 1991–August 1992: Principal investigator.
- Psychological Services for Healthy HIV+ Individuals. Grant awarded by *Georgia State University Research Grant Program*, January 1990–December 1990: Principal investigator.
- Patterns of developmental transition for economically disadvantaged African-American male youth. Grant awarded by the *Spencer Foundation*, July 1989–June 1992: Co-investigator (Margaret Beale Spencer, Emory University, principal investigator).
- Social/emotional development in deaf and hearing infants. Grant awarded by the *Maternal and Child Health Research Grant Program*, Department of Health and Human Services, Sub-grant from Gallaudet University, October 1987–September 1990: Co-principal investigator (with L. B. Adamson).
- !Kung infants: Social interaction and development. Grant awarded by the *National Institute of Child Health and Human Development*, National Institutes of Health, August 1987–September 1988: Co-principal investigator (with L. B. Adamson).
- The intergenerational transmission of parenting. Grant awarded by the *Spencer Foundation*, July 1987–June 1989: Co-investigator (J. H. Stevens, Jr., principal investigator).
- Communication development among !Kung infants. Grant awarded by the *Georgia State University Vice-President's Fund*, September 1986–June 1987: Principal investigator.
- Preverbal communication: Normative development and individual variation. Grant awarded by the *National Science Foundation*, September 1983–August 1986 (BNS-8300716): Co-principal investigator (with L. B. Adamson).

Development of communication in 6-18 month old infants. Grant awarded by the *National Science Foundation*, September 1980–February 1983 (BNS-8012068): Co-principal investigator (with L. B. Adamson).

A training program in observational methods of caseworkers in the Fulton County Department of Family and Children Services. Grant awarded by the *Georgia State University* Urban Life Extension Fund, June 1974–August 1974: Principal investigator (J. V. Brown, co-investigator).

Observing social abilities in very young children: A workshop for day care professionals. Grant awarded by the *Georgia State University* Urban Life Extension Fund, July 1978–June 1979: Co-principal investigator (with J. R. Brownlee).

Prematurity, early interaction, and social competence. Grant awarded by the *National Institute for Child Health and Human Development*, National Institutes of Health, September 1977–August 1980 (HD11209): Co-principal investigator (with J. V. Brown).

Abnormal mother-infant behavior and child abuse. Grant awarded by the Center for Crime and Delinquency, *National Institute of Mental Health*, June 1974–May 1977 (MH26131): Co-investigator (J. V. Brown, principal investigator).
