Office of Graduate Services

IMPORTANT – Do not submit this form until you have successfully completed your final project.

A non-thesis option is available in some departments. In lieu of the thesis, research competence must be demonstrated on the basis of a research paper or a creative project. A committee of at least three members of the faculty, of which the student's adviser will serve as chair, will pass on the acceptability of the paper or project. Two-thirds of the committee must indicate approval. Please consult your departmental handbook regarding specific requirements for the non-thesis project.
