CROSS-LEVEL REGISTRATION POLICY

- Beginning Summer 2017, Atlanta campus students may take a maximum of **four** Perimeter College courses during their academic career. Through cross level registration, these courses may be taken during summer semester(s) only, provided they (1) satisfy all pre-requisites for the courses, (2) have **completed** 12 credit hours at the Atlanta campus, and (3) have a minimum 2.0 institutional GPA.
- Any linked or co-requisite courses will count as one course (i.e. ASTR 1010 and ASTR 1010L; MATH 0999 and MATH 1111).
- Summer courses taken at a Perimeter College campus by Atlanta campus students will have the same impact on a student's institutional GPA as courses taken at the Atlanta campus.
- Summer courses taken at a Perimeter College campus by Atlanta campus students may be used to satisfy the repeat to replace policy and must follow all policy requirements listed in the catalog. (Section 1350.25)
- Summer courses taken at Perimeter College campus by Atlanta campus students count as grade attempts for all Bachelor level degree policies (including the withdrawal policy).
- Georgia State University will allow no more than 12 semester hours of D grades to apply toward degree requirements of a baccalaureate program of study. These 12 semester hours include both credit completed at Georgia State (resident credit), cross-level credit, and transfer credit.
- If taking courses at both Perimeter Campus and Atlanta Campus during summer semester, tuition will be assessed based on the campus location for each course (Perimeter, Perimeter Online, or Atlanta).

By signing this form, this signifies my understanding of the eligibility requirements and instructions.
